LUNCHEON SPONSOR

### OnTime Service

Hi, I’m Kerry Adkins, the president of OnTime Service. Thank you for your interest in our company. If I may, I’ll tell you a little more about On-Time Service and about how we work to serve our customers.

My father, George Adkins, began the business in 1975. Eight years later, I joined him as an apprentice electrician. For almost four decades, we focused primarily on residential electrical service, repair and construction. In 2014, we began a heating and cooling division. In November 2016, we starting offering plumbing services to our customers. We have worked in thousands of homes and hundreds of commercial projects in Alabama.

To better reflect our commitment to arriving at a customer’s home or business on time, we changed the company name to OnTime Service. We back up that commitment with this promise: We show up on time or we pay you \$59!

We are very picky about the heating and cooling technicians, electricians and plumbers we hire. We conduct extensive background checks on prospective employees and we perform random drug tests. We insist that our employees are professional, neat and clean, that they have no visible tattoos or piercings and that they are non smokers. If an OnTime Service employee ever smokes, swears or leaves a mess in your home, our service will be free.

OnTime Service has memberships in Electricians’ Success International™, an association of the top five percent of electrical contractors in the United States and Canada, Airtime 500, an international association of the very best HVAC contractors, and Plumbers Success International an association of the best plumbing companies in North America. These organizations provide outstanding training and best-practice systems to help us provide outstanding service to our customers. Our team members have received numerous awards and recognition from these organizations for their performance.

OnTime Service is a member of the Better Business Bureau®, Homewood Chamber of Commerce, Vestavia Chamber of Commerce, Hoover Chamber of Commerce, Eastern Shore Chamber of Commerce, Mobile Chamber Commerce and the National Fire Protection Association.

(Continued on page 4)

We have made it to the end of the year and what a year it has been. The Vestavia Hills Chamber of Commerce had a very active year in 2021 as we all started to move back to our normal activities. Starting back with our monthly luncheons, having a great I Love America Day complete with an amazing fireworks show, having the annual Mayor's Prayer Breakfast with Brodie Croyle as our speaker along with a large number of ribbon cuttings and new businesses opening in our community it has been a great year.

John Henley

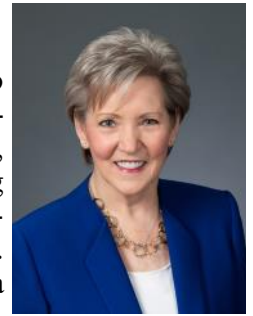

While it has been a great year, many of our local businesses continue to struggle with supply chain issues and finding enough workers to continue to make their business successful. As we move into the busiest time of year for our Vestavia Hills retailers and small businesses, please remember to support all of them with keeping your shopping dollars local. Please be patient as everyone is having challenges just opening their doors every day whether it is a local grocery store, pharmacy or your favorite local retailer.

Please remember to attend the Breakfast with Santa on Saturday, December 11th from 7:30 am until 10:00 am. I enjoy this every year, working with a large number of volunteers to make pancakes, chocolate chip pancakes and bacon with all of the sides. I want to thank these volunteers in advance for their continued time and commitment to make this event possible. Also a special thanks to the City of Vestavia Hills for sponsoring this and making this event possible for all of our citizens. Merry Christmas to you and your families. I know I am going to enjoy the time we have with our family. Thanks to all our board members, chamber staff, ambassadors, chamber champions and trustees. We could not do all of the things we do with everyone's support.

**F**rom the President...

As we come to the close of another year, I want to take this opportunity to thank the many wonderful people that spend countless hours making our community a better place for everyone. Even with the pandemic hopefully coming to an end, our businesses have continued to struggle with getting supplies but mostly with getting labor back to a level that is needed but they will persevere and continue to serve our community to the best of their ability so please be patient as they deal with these difficulties. Our citizens continue to amaze me with their energy and focus on making Vestavia Hills a great place to work, play and live and for that we are very grateful.

**Karen Odle**

As importantly, I would like to thank you, our Chamber member, who is the heart and soul of not only this organization but this community. Your continued support means so much to me. Our organization is blessed by your commitment to our community. The success of our businesses enables us to enjoy the many services provided to us as residents. THANK YOU for your perseverance and your commitment to Vestavia Hills. You are simply the best!

I would like to thank the Board for all of their support and hard work this year and to John Henley with John Henley State Farm Insurance for his fantastic leadership as Board Chair for TWO YEARS! That is definitely going beyond what is called for but is so typical of John to give back to the community so willingly. The Board of Directors are fantastic....we are so blessed to have so many folks willing to serve their community and your board has been so supportive and helped guide us as we all struggled through the last couple of years! My sincere appreciation and gratitude to the Chamber staff for their dedication and commitment to our goals in 2021. We must continually "sharpen our saws" with new programs and offerings and Katie Woodruff has been incredible in her leadership and diligence toward this end and keeps us on track with our goals and events. Betsy Webster has continued working to enhance our social media program and brings an incredible talent to her job with her creativity. Our Membership and Marketing Consultant Lisa Christopher is unparalleled in her passion and commitment to the Vestavia Hills Chamber, the business community and Vestavia Hills as a whole. They are each to be commended for their unequalled commitment in their efforts to make a difference for each business they work with in Vestavia Hills and the greater Birmingham area. Their efforts have made the Vestavia Hills Chamber of Commerce the premiere chamber in Alabama! YOU ARE THE BEST! It is my distinct pleasure to work with you and to have your support.

As this is the last issue for 2021, my family and I would like to wish you and your family a blessed holiday season, abundant peace and joy and may 2022 be a year blessed with good health and prosperity for each of you. As always our doors are always open at the Chamber office. We look forward to working with you as we strive for "A Life Above".

We love to support local charities. If you are aware of a worthy and effective local charity please contact us with their information. We host representatives from charities periodically to educate our team about their work and then we decide as a team which charity we will support. We really enjoy hearing firsthand about the great work some of these organizations are doing in our community.

My wife, Carol, and I are Christians and are actively involved in our local church, so our business is based on Christian principles and ethics. We are honest and upfront with everything we do. That is why we quote all jobs before we start and offer a 100 percent satisfaction guaranty. We are not perfect but we make every effort to take responsibility for our mistakes and correct them. I believe it is possible to operate our business in a way that creates a win, win, win situation. That is, our client wins by receiving outstanding service and value, our team member wins by earning a good wage and having a positive, supportive work environment and our company wins by earning a reasonable profit for our effort which allows us to grow and provide more opportunities.

Carol and I are blessed to have a team of professionals who work with us. And we are humbled by the thousands of homeowners who have entrusted us to take care of their heating, cooling, electrical and plumbing needs. Call either our Birmingham or Eastern Shores office and talk to us today for your next Plumbing, Heating, and Cooling job.

Kerry Adkins
