Greene is in his fourth year at Auburn after being named the program's 15th director of athletics on Jan. 18, 2018. He served in the same capacity at the University at Buffalo from November 2015 until his arrival at Auburn.

A leader and visionary in the ever-changing landscape of intercollegiate athletics, Greene's national perspective and well-rounded experiences place him in high regard among his peers. He is currently serving on the Executive Committee of the National Association of Collegiate Directors of Athletics (NACDA), 1st Vice Chair for LEAD1 and is the Co-Chair of the Black AD Alliance.

### **Our Mission:**

Our mission is to deliver the best customer experience provided by knowledgeable, caring, and trustworthy team members.

### **Our Core Values:**

Trust – Service – Value – Quality – Teamwork – Safety

Tyler Kime  
President

As the sunny May weather invites us outdoors, we really appreciate all the venues and events in our community. It's a happy sight to see so many friendly people around the sports fields, the green spaces and the sidewalks.

If you haven't been out lately, I invite you to take a walk around an area of Vestavia that's not on your beaten path. If you have not been to the Sicard Hollow Athletic Complex, now is a wonderful time to check it out. You will be very impressed. And there's a splash pad there with no age limit!

Sandra Cleveland

The Chamber board, Chamber staff and Ambassadors are in full swing attending ribbon cuttings and planning events. The calendar is filled with ribbon cuttings, and all are invited. I hope to see you at the next one.

There are a lot of opportunities to celebrate in May. A few are: Cinco de Mayo, end of school, teacher appreciation, Mother's Day, and Memorial Day.

Vestavia has so many choices for adding to your celebrations. Think of our Mexican restaurants for Cinco de Mayo. Our city has a wealth of shops, boutiques and spas for teacher appreciation and Mother's Day gifts. Fill up your car with gas in Vestavia before your leave for your Memorial Day trip and again with you return. These are small choices that make a real difference for our local businesses and our city.

John Henley represented The Vestavia Hills Chamber Foundation at Vestavia Hills High School Awards Day in April. John led the Foundation Scholarship Committee through a challenging selection process and presented the Foundation Scholarship to an outstanding senior student. The Foundation raises funds for this annual scholarship with the Viva Vestavia event held every fall. The Foundation is also supplying funds to help furnish the new Chamber office in the Community Building.

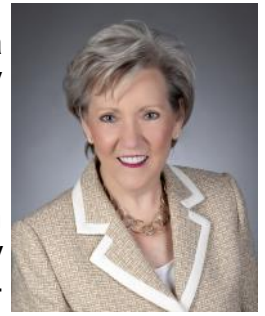

The Dogwood Prayer Breakfast held on April 19<sup>th</sup> was a grand success. The speaker was Steve Skipper, who has an amazing story of overcoming. He is one of America's most prolific artists and his artwork is sanctioned by a lengthy list of sports figures and many others. His story was even bigger than the fame he has achieved through his artwork as he gives all the glory to God. Thanks to the planning committee and the sponsors – we are very thankful for the financial support of our business to make events like this possible. So many people came together to make the event memorable.

Go ahead now and put the *I Love America Night* celebration on your calendar for Thursday, June 23<sup>rd</sup>, 6 -9 pm. I heard from so many people after last year's *I Love America Night* that they would have attended if they had known about it. We are planning another extraordinary event and we want you to be there. Invite your friends too. This is open to the public. Join your community in this patriotic event. You will be glad you did.

It's great to be a part of our community and work together.

**F**rom the President...  
I can't believe we have reached the end of the school year. What a crazy year it was especially for the graduating seniors (what a story they will have to tell to their grandchildren!). For parents of seniors, I am certain you are wondering where the time went!

Karen Odle

I hope you were able to attend the Dogwood Prayer Breakfast that was held on April 19th. It was fantastic and we were so honored to hear Steve Skipper's story about his redemption after the troubled life he had led. It was certainly inspirational and the prayers for our ministers and youth were wonderful and so on point. We are truly blessed to have such incredible leaders in our city.

We are working hard to plan the 40th Annual I Love America night which is scheduled for June 23rd. It is on track to be an amazing event as we will a) be at the beautifully renovated Wald Park; b) we will have a great children's area sponsored by Vestavia Methodist Church; c) we will enjoy music from the incredibly talented Shades Mountain Orchestra; d) there will be free swim in the beautiful pool at Wald Park; and e) WE WILL BE HAVING FIREWORKS! A special thanks to our Title Sponsor – McDonald's and Presenting Sponsors – Progress Bank; Royal Automotive; Shades Mountain Baptist Church and Standard Heating and Air. We wouldn't be able to do the fireworks due to the high cost without the support from these sponsors so let them know how much you appreciate them! Better yet, be sure and utilize their services!! Look elsewhere in this newsletter for sponsorship information as it is going to be a great community event and with everyone more than ready to get back outside and doing some fun things, we expect to have a huge crowd.

We have 5 (five) ribbon cuttings coming up for new businesses in Vestavia Hills. Please check our calendar frequently as we are constantly adding new events and encourage you to be part of as many as you can. You can also see the many new businesses that have opened with photos of their ribbon cutting so be sure and stop by and welcome them to Vestavia Hills if you missed the ribbon cutting.

If you would like more information about these or other opportunities, please contact me or the Chamber office. The best way to get the most out of your Chamber membership is to GET INVOLVED as we strive for "A Life Above"!

pionships since his arrival and the men's and women's golf programs each advanced to the national semifinals. In 2019 the men's basketball program made its first-ever trip to the Final Four, while the baseball program returned to the College World Series for the first time in 22 years.

Auburn student-athletes are excelling academically under Greene's leadership. The cumulative grade-point average for all Auburn Athletics teams has risen from 3.19 to 3.25 during his tenure, with nearly 70 percent of student-athletes earning 3.0 or higher GPAs during the 2020-21 academic year. Eleven teams earned perfect 1,000 Academic Progress Rates in 2020-21 with seven programs earning multi-year APRs of 1,000. In 2020-21, 244 Auburn student-athletes earned recognition on the SEC Academic Honor Roll.

Greene's fundraising acumen has been on full display during his tenure at Auburn, highlighted by numerous capital projects totaling \$165 million, including the approval and construction of the \$92 million Football Performance Center due for completion in 2022. This transformational facility is the largest capital project in Auburn Athletics history. The fundraising efforts toward the Football Performance Center have included two of the three largest philanthropic gifts ever to the athletics department.

Auburn Athletics has experienced a transformation during Greene's three and a half years on the Plains. He has hired six coaches, including newly minted football coach Bryan Harsin, and has renegotiated the contracts of seven successful Auburn coaches.

While at the University at Buffalo, Greene's leadership was noted for success on the field and in the classroom, as well as donor and corporate development efforts that led to an array of facility enhancements. Prior to being named AD at Buffalo, Greene served as the senior associate athletic director for administration and deputy director of athletics at UB. He previously worked in fundraising at Ole Miss for three years and Notre Dame for two years in development and five years in compliance.

A graduate of Notre Dame with a degree in finance, Greene was a three-year starter for the Fighting Irish baseball team and played three years in the New York Yankees minor league system. He later earned his master's degree from Indiana University's South Bend campus.

Allen and his wife, Christy, have three children, daughters Rian and Seneca, and son Samuel.

## Doug Dean-Children's of Alabama

**Doug Dean** has been the Chief Human Resource Officer at Children's of Alabama since 1999.

Children's of Alabama has a long history of providing healthcare to Vestavia Hills children most notably through Children's of Alabama Hospital, which completed its spectacular \$480 Million facility expansion, opening in 2012.

As the Birmingham News reported that year, "... the new Benjamin Russell Hospital for Children, towering over Southside, is, in function and in fashion, in automation and animation, a magic kingdom all its own, a family-centered building designed to comfort the sick child and ease the pain of families. From the design of the 760,000-square-foot building to the art on the walls and the floors, the new hospital, which offers all private rooms and a helipad that can land a Black Hawk military helicopter, is built on a 'hospitable hospital' theme."

Families of Vestavia Hills also receive care from the doctors and nurses of Vestavia Pediatrics at 1936 Old Orchard Road and at the Children's South Pediatric Outpatient Center off Acton Road. Vestavia Pediatrics was founded by Drs. James Johnson and David Simpson in 1972 and Children's South opened in 1999.

Doug's business career includes roles in Employee Benefits Trust at then AmSouth Bank (1984-88), in Human Resources at Blue Cross Blue Shield of Alabama (1988-93), and as Compensation & Benefits Director at Baptist Health System (1993-99) prior to joining Children's of Alabama in 1999 as Chief Human Resource Officer.

Doug was named the **Human Resource Executive of the Year** in 2011 for the large company category by the Birmingham Business Journal. His professional credentials also include the designations of Certified Compensation Professional (CCP) and Senior Professional in Human Resources (SPHR). He has served as chairperson for the HR Executive Forum of the Child Health Corporation of America, a consortium of 40 pediatric hospitals across the U.S. Doug was the 2007 President of the Birmingham Society for Human Resource Management (BSHRM).

Children's is the 10th busiest pediatric medical center in the United States and one of only about 45 freestanding acute care hospitals of its kind in the nation. Children's of Alabama's sprawling 2-million square foot campus places it as a **top five** largest pediatric medical center in the U.S., and Alabama's crown jewel pediatric healthcare system is regularly ranked among **U.S. News & World Report's Best Children's Hospitals in America**.

Children's is a private, not-for-profit hospital governed by a volunteer Board of Trustees.
