Dr. Todd Freeman has served as superintendent of Vestavia Hills City Schools since March 2018. Now in his fifth year with Vestavia Hills City Schools, Dr. Freeman has led the opening of three new campuses, the implementation of new strategic plan goals, and the renewal of the school system's accreditation.

CHAIR'S CORNER

It's hard to believe March is already here! With Spring right around the corner, the Chamber's calendar is packed with many activities and events planned for our members. So far, the Chamber staff has at least seven (7) ribbon cuttings for new businesses opening this month. I always enjoy visiting our members at their place of business and seeing all the new offerings they bring to the citizens of Vestavia Hills.

As I mentioned last month, our Board Vice Chairs continue to make progress planning our flagship events for the year. I'm very encouraged and thankful for our Chamber members who have joined the various committees to assist us in preparation. The participation is outstanding, and we invite those of you who might not have joined a committee, to reach out to the Chamber staff to learn more.

The Chamber leadership is here to support our members and businesses. Our Board meetings and Committee meetings are filled with new energy, new ideas, and action items to accomplish even more in 2023. As always, we want to hear from you as well about how we can support and promote our Vestavia Hills businesses.

March and April will be a very busy time for our community with many events planned during the City's annual Dogwood Festival. I encourage you to involve your families and take advantage of this special time of year!

Every day, I'm reminded of how fortunate we are to live and work in our great City. I hope to see you soon at one of our upcoming events!
