April 11 Luncheon Gary Warner, Director of Research in Computer Forensics at UAB and Director of Threat Intelligence for DarkTower

Gary Warner is the Director of the UAB Computer Forensics Research Lab and the Director of Threat Intelligence for DarkTower. After spending twenty years in industry, culminating as an IT Director at Energen Corporation, Warner came to UAB in 2007 where he was instrumental in creating UAB's Digital Forensics academic program. Warner has worked closely with law enforcement since 2000, serving for ten years as a Task Force Officer on the Birmingham FBI Cybercrime Squad where he assisted on national and international investigations, primarily in the areas of malware and phishing.

Warner's lab has been contracted for cyber intelligence services from Microsoft, Facebook, Bank of America, Wells Fargo, eBay, and a variety of NGOs and Government Agencies, including DARPA, the United Nations, Homeland Security Investigations, FDA, and recently to DHS Science & Technology to support the development of new tools for social media analytics related to terrorism and drug trafficking networks. Over 400 students have worked in the UAB CFRL since its founding and hundreds more have taken courses from Warner in the Computer Forensics and Cybercrime classes he teaches for the Criminal Justice Department.

LUNCHEON SPONSORS

Liberty Park Joint Venture

Liberty Park's story started with nearly 4,000 acres of spectacular land and a heartfelt mission to responsibly create a community so grand in thought and design that it would naturally bring together the traditions of yesterday, the lifestyle of today and the promises of tomorrow.

Designed as a Master-Planned Community, Liberty Park is home to Vestavia Hills highly rated Liberty Park Elementary and Middle Schools. With more than 1,500 families who have already chosen Liberty Park as their home, it's a remarkable place where children ride bikes to school and race to the playgrounds. Where families gather at the pool, tennis courts and each other's backyards. And where lakes, parks and walking trails mean the great outdoors is very much part of your everyday world.

With the completion of the 50-acre town center site work, the vision of The Bray town center will begin to take shape and fulfill the vision for Liberty Park. With its hospitality, restaurants, retail services, and diversity of housing choices all situated around the Great Lawn, The Bray will create a true live, work and play environment in Liberty Park.

April is here, and so is the Spring Season! A favorite time of year for my family, and I suspect for many of you as well.

New construction is ongoing across our community with exciting new residential and commercial projects well underway in the Bray Development-Liberty Park. Additionally, the South Highway 31 redevelopment project has gained new energy as our City Officials recently wrapped up a Charrette planning session for the former Days Inn property and southern gateway into Vestavia Hills. I'm continually amazed at the diverse projects our City is bringing to us through their successful economic development efforts.

Donnie Dobbins

The City is healthy and the Chamber is actively partnering with local businesses and prospective businesses to assist in new growth opportunities. Vestavia Hills will continue to appeal to families who are investing in their children's education through our thriving school system, as well as developers who are choosing to invest their business capital.

April is a month of celebrating our community with Dogwood events through the city and the month. To name a few, there is the Dogwood Luncheon on April 4th, the Battle of the Bands-Rocky Ridge Business District on April 8th, Dogwood Days-Liberty Park on April 13th, The Dogwood Prayer Breakfast on April 18th, Wing Ding on April 22nd, and Heights Hangout to wrap up the month on April 30th. These are not all! There are so many other events. Please go to: <https://vhal.org/community/dogwood-festival/> for a complete list.

These events are made possible by the leadership and planning provided by the City and the Chamber and the continued generous contributions of our sponsors. Please consider volunteering for these events-you will make many new friends and develop new business relationships through your time giving back to our community.

I hope each of you and your families have a blessed Easter celebration on April 9th. Here's to a healthy and prosperous Spring!

Donnie Dobbins
