VACATION OWNERSHIP COUNCIL'S MINI-GOLF TOURNAMENT

Following a two-week delay due to Hurricane Ian, the CFHLA Vacation Ownership Council finally hit the links, with their inaugural Mini Golf Tournament taking place last night at the [Holiday Inn Club Vacations Orange Lake Resort](#) (Thank You Chelsea Wynn and Jorge Reyes).

Rather than 500-yard holes and water hazards, golfers enjoyed a fun evening of fellowship, as they navigated putts along the twist and turns of the Sand & Surf courses.

All of the proceeds from the event will go to **support the CFHLA Foundation and its initiatives.**

AUTISM AWARENESS TRAINING

This morning, CFHLA in partnership with the [Autism Society of Greater Orlando](#), hosted an incredibly powerful and educational Autism Awareness Training at the [Caribe Royale Orlando](#) (Thank You **Amaury Piedra, Managing Director**).

As our community continues to provide the most inclusive experience for all guests visiting our destination, our members learned how to handle this unique developmental disability by focusing on the the skills necessary to identify, interact and respond to individuals with autism. Each of the participants were also taught ways to de-escalate a situation and bring the situation to a peaceful resolution, while avoiding possible injury to all of those involved.

Thank you to our presenters, **Donna Lorman** and **Hector Gonzalez**, for leading and educating our members at today's training seminar!

ORANGE COUNTY INTERACTIVE TRANSPORTATION MAPPING TOOL

Orange County Government has recently released a new [interactive mapping tool](#) that will help residents navigate and gather information about how the proposed Transportation Initiative will benefit them near their residence and/or adjacent to their workplace.

The dashboard describes the project categories, future transit plans and city projects, as well as oversight plans — all of which will be funded if the initiative passes the **November 8th general election ballot**. The \$600 million in annually generated funding will also allow the region to develop a convenient, affordable, and more robust transit system for our employees and future guests. Lastly, it will allow our region to remain a top destination for business growth and expansion for generations to come.

CFHLA fully supports the passage of this initiative and please click on the image below to view the **new interactive mapping tool**. **Be sure to share with your family members, friends, team members, etc.**

MEET THE SILVER PARTNER

MasterCorp

In 1973, Alan Grindstaff spent a night cleaning carpets and waxing floors. After years of hard work, and while working his way through business school, Alan was awarded the first housekeeping services contract with the Wyndham Fairfield Glade in Crossville, Tennessee. That contract is what led to [MasterCorp](#) being born.

In 1986, the company began to expand into other states and within 10 years, MasterCorp had stretched from the resorts in Florida to New England, from Hilton Head to the west coast.
