TESTIMONIALS

"Addition Financial, originally named Orange County Teachers' Federal Credit Union, has deep roots in the public education system in Central Florida and continues to support local school districts through philanthropic and volunteer efforts. The CFHLA Adopt-A-School Program is a fun and rewarding way to pay it forward, invest in our schools, and help students become the leaders of tomorrow!"

"Through CFHLA's Adopt-A-School program, Hyatt Regency Grand Cypress and Meadow Woods Elementary has established a community partnership for over 20 years. Our purpose and mission at Hyatt is to care for people so they can be their best. We strive to live our purpose by partnering to improve the education experience for students and teachers for the benefit of our community."

"The Sheraton Vistana Villages team wants to inspire students to work in our industry and ensure they are made aware of the many benefits and career path opportunities of our industry. Whether we are collecting and delivering donations or volunteering to speak with students, I am proud to know that Sheraton Vistana Villages is making a difference in the lives of many Central Florida students."
