Platform:

Airmeet is an all-in-one virtual event platform providing a unique networking and presentation experience, allowing participants to build real connections, online. Airmeet gives YOU total control over your networking experience. Once you are connected to the Airmeet session, you will enter the Networking Café. Click on a seat at any table to join the conversation with your fellow attendees and colleagues.

Please note: The Airmeet platform is best accessed on Google Chrome on a laptop or desktop computer; dial in by phone is not an option. Check out Airmeet via www.airmeet.com and sign-up to set up your profile.
