

# We recommend ADP®

Give them a chance, and you'll quickly see why

Running a small business isn't easy, especially right now. That's why we leverage ADP for our payroll and HR needs to help us better manage our business. ADP's small business payroll and HR solution, RUN Powered by ADP (RUN), was built specifically for small business owners to help them stay compliant, save time and better manage their team.

In fact, **9 out of 10 RUN clients say** that...

*"ADP has made their **jobs easier** and helps them **stay compliant.**"<sup>1</sup>*

ADP is proud to be a partner of the Chamber and support the LGBTQ+ community of the Greater Houston Area

## Get what you need to help you go all in on your business with RUN Powered by ADP®

### Payroll

With a streamlined process and powerful technology, you'll complete payroll in no time. Process payroll at your desk or on the move, during business hours or in the middle of the night. You can even put recurring payroll on autopilot.

### Tax and compliance

Keep ahead of state and federal tax laws and regulations with automatic updates covering all 50 states to help you with compliance. Plus, get more peace of mind with 24/7 support from certified payroll experts.

### Hiring and HR

Grow and manage your team easily with built-in HR and hiring tools. Post open positions to over 100 of the web's leading job boards with one click via ZipRecruiter®, and create a complete, professional-quality handbook (based on state and federal employment laws) in a few simple steps with the employee handbook wizard.

### Benefits

Take care of your people with meaningful perks like flexible pay options, employee assistance services and consumer discount programs. And through ADP Retirement Services, you'll be able to attract and retain employees by offering competitive retirement plans. Plus, help protect your investment with business, workers' compensation, and group health insurance through ADP's licensed affiliate, Automatic Data Processing Insurance Agency, Inc. (ADPIA®).<sup>2</sup>
