Nonprofit of the Year

The nonprofit of the year award goes to an organization that has made a positive impact on our community over the past year. We realize how difficult it has become to continue to operate these great organizations with all of the social and economic issues we face today. This award is for a top not-for-profit organization in the Cottage Grove area. The winner must be a Chamber member in good standing.

2019 Winner: Bohemia Mining Days

First Citizen

Lloyd Williams has been a tireless volunteer for this community. He was one of those special people who understood the value of being involved and was one who cherished the opportunity to give back to his hometown as much as he had received. This award is given each year to someone, who like Lloyd, knows the importance of serving your community to improve it. This award recognizes an individual or individuals who have selflessly served the community with persistence, dedication, and enthusiasm.
