

Frankfort Chamber Member Business Spotlight

Kiwanis Club of Frankfort

PO Box 875, Frankfort

When was the organization founded?

November 4, 1976 (Almost 44 years)

The primary service of the organization:

Kiwanis Clubs serves the Children of the World.

What makes your organization special?

Kiwanis International is a global community of clubs, members and partners dedicated to improving the lives of children one community at a time.

Best thing your organization does: Kiwanis helps kids around the world. Local clubs look out for our communities and the international organization takes on large-scale challenges, such as fighting disease and poverty.

Something people don't realize about your organization: We are creative with our ideas. Whether rolling up our sleeves or opening our wallets, Kiwanians make transformative changes in communities around the world. On average, members of the Kiwanis family host approximately 150,000 service projects and complete more than 18 million service hours a year. Every year, our clubs raise more than \$100 million to support community causes — in addition to supporting the Kiwanis Children's Fund.

My favorite thing about being a Frankfort Chamber member is: We are passionate about making a difference. Helping kids grow and succeed is at the heart of everything we do. But how we do it is just as important. We believe our neighborhoods and our world are best served when people of all ages and different backgrounds work together to share their time and talents.
