At the Harry S Truman Birthplace | 11th & Truman • Lamar, MO.

## Come show off your hidden talent during Truman Day 2024.

This year is very exciting, because our winner will be automatically "Fast Tracked" as a submission into the "Great Route 66 Talent Search Semifinal Round." We will take care of submitting your video and information to the hosts of this event and our winning act will "bypass" all of the preliminary rounds.

Your participation in the Great Route 66 Talent Search, could give you the exposure need to be discovered by industry professionals who scour local and regional festivals & the internet for America's next great talent!
