

# NACE ANNUAL STATE REPORT

State Association Name: Florida Association of County Engineers and Road Superintendents

Number of Counties: 22 Number of Cities: 3

Number of State Assoc. Members: 104 Number of NACE Members: 18

State Annual Meeting/Conferences held at: Orlando (Orange County) Florida

on dates: June 28-June 30, 2023

Fall Conference held at Tampa (Hillsborough County) on dates: November 15 - November 17, 2023

Other significant meeting held during the year: Quarterly Board of Directors Meetings

Notable achievements of State Association and/or Individual members:

1. Finalized new agreement with the Florida Department of Transportation for a Signal Maintenance Reimbursement Agreement – The new agreement increases reimbursement to Counties for maintaining state owned traffic signals. The agreement added more signal devices to the agreement that are eligible for reimbursement.

Important Events in which State Association participated during year:

1. Working with the Florida Department of Transportation on Safety Issues
2. Working with the Florida Department of Transportation on New Design Manual for Local Roadways

Issues and topics of particular importance for which action and efforts of State Association were directed during the year:

State Issues: Worked with the Florida Association of Counties on various Legislative issues. Still Working on indexing Local Gas Tax Revenues to inflation to counter the decreasing buying power of this revenue.

National Issues: Worked with the Coalition Against Bigger Trucks to prepare a resolution opposing truck size or weight increases at the federal or state levels.

Report Submitted by: George Gadiel, P.E.
