Chamber Fundraiser

BONANZA RAFFLE

\$10/ticket | Four winners/month
Winning tickets are put back in drawing
for another chance to win!
Prizes are \$100, \$50, \$25 & \$25

Many years ago, the Chamber received office space -free of charge- in the former Cook School. In 1994, a fire destroyed the school and the Chamber was forced to find another space. To cover costs, the Bonanza Raffle was born, and has become a Chamber tradition.

Today, funds are used towards Chamber events & programs, and has the potential to be the Chamber's biggest fundraiser. If every member sold just one book of tickets, we could raise \$30K!

Government

The Village of Oak Lawn is operated under the Council-Manager form of government. The home-rule administration overseeing the Village is composed of the Village President, elected to a four-year term, and six Village Trustees who represent the six districts located within Oak Lawn. Adding to this is the Village Clerk, a position that is held for a four-year term with a purpose to serve as the Secretary to the Village President and the Board of Trustees.

The Village works hard to meet its determined mission “To enhance the Village quality of life through the delivery of public services that preserve the health, safety and welfare of our residents, businesses and visitors.”

Message from Village President TERRY VORDERER

Message from the Village President

Over the many years of Oak Lawn’s chambers existence, I look at the many men and women who have served as its Presidents and Officers. I was privileged to have personally known many of them. In my first job as a 5th grade newspaper boy, I was employed by Mr. Sweeny, the Chamber’s first President. Over the decades, many men and women have contributed their time and talents to make our chamber a vibrant organization, one that continues to contribute to the success of our Village.

As promised last year, the Village took the unprecedented step to thank and recognize our business community by waving business licenses fees for the year 2022. We as an elected body along with our employees, look forward to assisting you in any way possible in the success of your enterprise in the Village of Oak Lawn.

And to my fellow citizens, remember that spending your dollars at our local businesses not only contributes to the success of those businesses but also helps keep our property taxes low, which makes Oak Lawn stronger.

To our current 2023 Oak Lawn Chamber elected and appointed officials: your talents and time will assure its continuing success in the future year. As the Village Mayor, I speak for the entire community when I say THANK YOU.

Mayor Terry Vorderer
