Message from our CEO

Dear Stakeholder,

Thank you for investing in the West Valley of Metro Phoenix! This region continues to grow, diversify and elevate. Over the past 20 years, the West Valley's population has exploded to 1.8 million residents who live in this region of 3,000 square miles. The West Valley consists of 15 communities, working together for quality growth. Over 50% of Maricopa County's future growth will occur in the West Valley.

WESTMARC's mission is to promote the West Valley for quality job attraction and economic vitality. We do so by working under the guidance of our Board of Directors and member driven Issue Committees. All work is highlighted through our program of special events and webinars. WESTMARC'S events are planned with member needs at the forefront and executed through a strong and experienced marketing and events team. Our events provide the best opportunity to network with regional leaders.

I invite you to review our Annual Corporate Investment Program to determine the best fit for your company's financial venture. This program document outlines all WESTMARC annual events, topic areas, target audience and investment options. It is intended to assist you with selecting your best return on investment opportunity, based on your corporate goals.

As always, I am available to discuss your needs and work together to maximize your exposure and company growth.

Sincerely,

A handwritten signature in black ink, appearing to be 'SH' with a stylized flourish.
