The Greater New Hyde Park Chamber of Commerce
C/O Richard Demartino,

Dear Chamber of Commerce members

It is with much gratitude that I am writing to all of the members of the Greater New Hyde Park Chamber of Commerce members to thank you for your wonderful generosity this Holiday season.

Due to the amazing amount of giving we were able to help feed so many families in need at Christmas and will be fully stocked well into this New Year!

At the heart of our Parish Outreach office is the kind and generous acts of so many Organizations, Community members and Parishioners who continue to answer the call of our faith to give to those in need.

We become the stewards of such great works and are immensely thankful to you all.

Wishing Peace & Blessings to you all in the coming year,

Dee Farishian
Director
