Society of Wetland Scientists

Society of Wetland Scientists South Atlantic Chapter Student Travel Award
(revised January 2015)

The South Atlantic Chapter of the Society of Wetland Scientists (SWS) offers a student travel award to support graduate students presenting wetland research at the SWS annual meeting. The 2015 annual meeting is being held in Providence, RI, and runs from May 31 through June 4, 2015 (<http://swsannualmeeting.org/>). The student must be enrolled in a public or private university located within the South Atlantic Chapter's region and must be a member of SWS. We will award \$500 to two students. The Chapter's Awards and Executive Committees will judge the applicants based on the scientific quality and importance of their research as described in the abstract. Please submit your abstract as instructed in the SWS call for papers for the annual meeting. Further, applicants must also submit their abstract, by electronic mail, to David Bailey, Awards Chair [david.e.bailey2@usace.army.mil]. This step must not be overlooked as the student will not be eligible to win the award if a copy of the abstract is not sent to the committee chair. The winning student must be present to receive their award at the Chapter's business meeting held during the SWS annual meeting. To become a member of SWS, visit the web site at www.sws.org.
