

## State of the Schools

State of the Schools is CBRCC's newest annual event, inspired by the need to address education and current events that affect students and parents in the community. This is an opportunity for educators, parents, and the community at large to hear about the impressive academic achievements of the Brevard County Public School System, and to showcase the incredible work done by the district's educators.

The first State of the Schools was executed in August of 2022, led by Dr. Mark Mullins, Superintendent for Brevard Schools, and accompanied by Sheriff Wayne Ivey, Sheriff of Brevard County Sheriff's Office. Together they gave a thoughtful discussion on safety in our schools and the importance of the community coming together and advocating to ensure public schools provide students not only with educational opportunities that prepare them for success in life, but also to promote thought, innovation, and motivation to seize that success. Due to the high turnout and interest in this event, it will now be an annual event put on by the CBRCC and Brevard Public Schools.
