Is the 8a Certification Right for Your Firm? Workshop & Webinar – Join PTAC on Jan. 25, 2107 10:00 - 11:00am. For this Free workshop and webinar. Held at UAA Business Enterprise Institute, 1901 Bragaw Street, Suite 199, Anchorage AK.

In the alphabet soup of small business categories and certifications, you may have heard of the Small Business Administration 8(a) Business Development Program. The perception of the 8a program often carries a notion that it is a government contracting program when in fact it is just what it says, a "business development program." This workshop will help determine if your firm is a good candidate for the 8a program and what is expected if certification is obtained. [Click here to sign up.](#) If you'd like to join us for this workshop via webinar, please send your email request to info@ptacalaska.org least 24 hours prior to the scheduled start time or contact Gary Bushor or (907) 786-7281.
