Free, personalized assistance in real-time

In this changing world, many of our patients need help finding an easy-to-use, trusted resource about health insurance. As a result, we now offer personalized guidance on this topic from our experienced, in-house experts.

Our advisors can discuss with you eligibility and advocacy services appropriate for a variety of scenarios, such as:

- Continuing your employer's existing plan if you have recently lost your job (COBRA and other options)
- Applying for coverage via a spouse's benefit program
- Resources that may help offset the costs of health insurance
- Medicaid: Government healthcare for those that meet certain criteria
- State and federal health insurance exchanges (such as the Affordable Care Act) and how to enroll due to a changing life event

Please remember- do not ignore emergency symptoms or delay vital healthcare procedures. Thank you for trusting us with your care.
