Campus	Description of Request
	Alternative seating for 25 in a classroom including multi height tables, yoga balls, mats, fidget chairs, floor pillows, back
Sam Houston	rests.
Rusk	We have a need for more crops genre literature. Scholastic has a student magazine that will fill this need.
	Requesting a teaching easel. These are ideal for whole group and small group instruction. The easel has a magnetic write &
	wipe surface on each side: One is blank for drawing and demonstrating concepts/one has permanent 1 1/2 writing lines.
Bowie	\$350
Sam Houston	
Elementary	Flexible seating for my classroom to create a more comfortable learning environment
	Each grade level has a printer except pre-k. Ours broke before I started working at Houston and we have been borrowing
Sam Houston	second grade but it's hard when we have different conferences. We would love our own laser printer so we can print
Elementary	amazing lessons.
Bowie Fine Arts	Need to purchase books to update and expand library.
Academy	Need to purchase books to apaate and expand library.
Coleman High School	Many of our students are reluctant readers. We would like to purchase Playaways so students can listen to books to
	generate interest in reading.
Sam Houston	Teachers would like to bring Rhett Price (musician) to school for an assembly designed to teach students the importance of
Elementary	practice to obtain a goal.
Bush Elementary	My campus has 1 of 2 Austism Units in MISD. These students are mainstreamed and I would love to be able to have flexible
	seating in my classroom to promote different learning styles for all of my students.
Burnet Elementary	I wish to purchase 4 Chromebooks strictly for student use in my classroom (\$165.99 each) as the use of our Learnpads is no
	longer an option.
	Need narrow tables (Like hotel training rooms) for our computer lab. Currently using rolling carts. IT says that is why
Jane Long	computers are always breaking down.
	I am requesting flexible seating options for my students to be their best learning selves in the most comfortable
Sam Houston	environment.
	I am requesting various mentor texts to use with our writers workshop program. Mentor texts show students what good
	writing looks like and allows students to envision possibilities in their own writing, thus inspiring and igniting creative
Sam Houston	writing.
Bush Elementary	Alternative Classroom Seating for 24 first graders. Hope to increase student motivation and engagement.
	Fannin is implementing yoga practices for kids to help them stay focused, on task, and help with relieving anxiety. We are
Fannin Elementary	looking to buy 10 yoga mats.
