

# RevUp Dive Bar

Best Innovative Events, \$50,000 - \$100,000

Tasked with re-creating an authentic ‘dive bar’ in a ballroom space was an exciting challenge with unbelievable results. The client’s objective was to create an environment where guests could relax and bond together, all while networking with colleagues. Filled with traditional pub games and intricate dive bar décor, colleagues became friends while sharing a drink and competing in an array of games. Guests stayed until last call and left the ‘RevUp Dive Bar’ as a place where “everybody knows your name.” Cheers to RevUp!
