Beginning October 1, the Baldwin County Building Department and the Planning & Zoning Department will offer services through a new online portal compatible with all tech devices - smart phones, tablets, laptops and desktop computers

Property owners, contractors, design professionals and real estate agents can access their accounts anytime from anywhere.

Applicants will be able to apply for land use certificates, building permits and trade permits in the portal. They can upload construction plans and required documents, check application status, pay fees, schedule inspections and much more!

Visit www2.citizenserve.com/BaldwinCountyAL to pre-register! Don't wait until October to get started! Avoid the rush; prevent any delays in the permitting process by pre-registering now!

Beginning October 1, be prepared to submit digital or scanned copies of all required documents such as site plans, construction plans, Elevation Certificates, Health Department/sewer/water releases, blower door tests, etc. If you do not have access to a computer or tech device, a kiosk with a computer and scanner will be available at the Building Department located in Foley. The office locations in Fairhope and Bay Minette will have kiosks installed soon after.

For assistance with portal registration or if you have any questions, contact Mindy Smith at mindy.smith@baldwincountyal.gov or 251.972.6837 (option 3)
