A message from incoming BCHBA President

Jeff Frostholm

I was reading through all the past Plumline messages from the incoming Presidents and Cliff's started last year with 'time flies!'. He was right, it does, and 2020 is coming to an end. Hopefully in 2021 we can get back to normal, whatever that will mean in the future. With the start of a new year, I am honored to be the 2021 president of the BCHBA.

WORKFORCE DEVELOPMENT - I would like to try to get our youth more involved in the construction industry.

Lets encourage our kids to get involved in the construction industry and try to mentor them to be our next builders, tradespersons and suppliers.

CHARITABLE FOUNDATION - Getting more involved with the community. I challenge everyone to give back to our community by donating some of their time to helping those in need. After the two storms that devastated our area in 2020, there should be plenty of opportunities for us to give back to those less fortunate than us.

When I was first invited to be on the board, I didn't know what to expect. Over the past couple of years, I have gotten to know many of you personally and made many friendships that hopefully will last a lifetime.

I would like to thank Marsha, Katie and Brett for everything that they do.

I would like to thank Michael Neese for all the hard work he puts in that allows me to attend all of our home builder meetings here and at the state level. I know I can be tough to work with at times, but I appreciate all of the help Michael gives me.

I would like to thank my wife Jessica for holding down the fort and keeping Conner and Cameron in line while I work and attend meetings.

Finally, I would like to thank all of you, our members, who make this the greatest home builders association.

I look forward to 2021 and am honored to be the 2021 President of this association.

For those of you who don't know me, I graduated from Daphne High School and went on to Auburn, where I received a degree in Building Science. After college I worked for a large commercial contractor and then a home builder in Atlanta. I moved back to Baldwin County in 2010 and started my company, Frostholm Construction. I have been on the board for 4 years and have had the privilege to be the Chair of the Young Professionals, be a State Director and climb the ladder to be the 2021 President.

I would like to thank each and every member for being a part of this great association. Without all of you we could not have the organization we have today. It is your membership along with our State Board that kept us deemed essential through the pandemic. Without your support who knows what our industry would look like today. Currently we are 831 members strong and getting stronger. I encourage all of you to reach out to people in our industry, have them join and get involved with this awesome organization.

I would also like to thank our sponsors who year after year donate to the Baldwin County Home Builders Association and help make our events possible for all our members throughout the year.

I have two main goals for 2021...

The Young Professionals builds a new playset for CARE House

What a great bunch of YP's we have! Thanks to William Hays of Pitman & Brown, Michael Neese and Jeff Frosthom of Frosthom Construction and David Thomas of Swift Supply for procuring and installing a new playset at the Baldwin County Child Advocacy Center's CARE House. The previous playset had been damaged by hurricanes Sally and Zeta and was unusable. The work of the volunteers was featured in a story on NBC 15, which you can find by going to the BCHBA Facebook page.

IN MEMORIAM

Thank you for your support of

the TOOL TREE

Niki Whittaker says: "I just came from the Baldwin County Home Builder's Association (BCHBA) office in Fairhope, AL and my heart is overjoyed with the love and generosity that they have shown our children this Christmas. For nearly 20 years now they have done a "Tool Tree" with some of our children's wish lists for Christmas. The BCHBA members go over and beyond to assure our Children have a fabulous Christmas! As a non-profit, there are so many things that must come together to make it possible for us to thrive year after year. One of those things is partnerships. We are so grateful for the partnership that we have with the BCHBA. They do so much at Christmas and throughout the year to help this agency sustain. Thank you BCHBA from the bottom of our hearts! We wish you all a very Merry Christmas and a Happy New Year!"

The Baldwin County Home Builders Association members provide Christmas gifts annually for the children assisted by Care House. L-R: Donna Thompson, Shanequia Pruitt, Niki Whittaker, BCHBA Accountant Katie McCarron, Maribel Peturis, BCHBA Executive Vice President Marsha Jordan, 2020 BCHBA President Cliff Pitman and Steyr the Christmas dog.
