DRAWDOWN TO BE HELD AT THE PARADE OF HOMES STREET PARTY, THU., OCT. 7, 2021

City of Fairhope: Revised Inspection Procedures in response to the recent COVID surge

In response to the recent increase in COVID-19 cases in Alabama, we are adjusting our inspection procedure effective immediately and will continue until the end of September 2021. These are minor changes, but we need all contractors to work with us and comply so we are not faced with unwanted illness. Illnesses will certainly affect the ability for our staff to continue to perform timely inspections, and the total number of inspections we can perform on any given day.

- ▶ At the Inspectors direction, the Site Superintendent will be asked to have the crews take a break and allow City staff to perform their inspection in a less congested construction area. This a minor thing but proved effective during the initial outbreak in 2020.
- ▶ The Inspectors will not be performing on-site walk throughs with contractors and will provide a written report at the end. If the permit has been issued under the new Citizenserve online system, the contractor of record will receive an emailed inspection report by the end of the day.
- ▶ If close contact or a face-to-face meeting is absolutely necessary, both the Inspector and contractor will be required to wear a mask during the conversation. Our Inspectors have been instructed to wear a mask during any one-on-one interactions and we will ask that the contractors be respectful and do the same.

We appreciate your cooperation and compliance with these measures during the next 6 weeks. With the number of inspections we perform daily, the loss of a single inspector for any amount of time will reduce that number and the time you would have to wait to schedule an inspection.

We are continuing our normal schedule for field inspections and plan to re-evaluate the situation at the end of September. Hopefully once the number of new cases will have gone back down and we can all get back to our normal routines. If you have any questions, please feel free to call or email Erik Cortinas at 251-990-0141 or erikc@farihoepal.gov

Also, updates from Orange Beach and Gulf Shores...

City of Foley:

Foley went to our phase 1. No in-person meetings, requesting masks in the lobby, nonessential personnel working remotely as much as possible. **NO CHANGE FOR INSPECTIONS OR PERMITS.**

City of Gulf Shores:

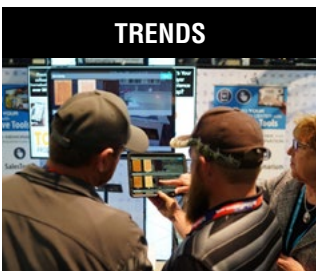

Gulf Shores has closed the office to appointments only...otherwise, business as usual.
