Make space for the perfect details.

Marvin windows and doors at Blue Water Millwork.

You pay close attention to every detail of your client's home, and everyone you partner with should as well. We do the same. That's why we partner with Marvin, whose windows and doors are handcrafted and perfected, and bring quality and sophistication to every space. Their attention to detail with everything they do means your attention to detail can be applied elsewhere, making space for everything that matters most to your clients. Visit our showroom to see for yourself.

ALABAMA LEGISLATURE PASSES THE LATENT FEATURES BILL

Relating to county and local government; to provide prohibitions on the adoption or enforcement of certain building codes requiring the installation of certain latent, non-operable features in a residential structure.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. (a) For the purposes of this act, the following terms have the following meanings:

(1) **LATENT FEATURE.** Any technology, appliance, electrical circuit, wiring, plumbing, gas tubing, framing, or other item, installed in or connected to a residential structure, that will not be placed in a state of active operation or that will not be utilized by the homeowner at the time of the residential structure's completion. The term only includes features that do not contribute to the life safety or structural aspects of the building code being enforced.

(2) **RESIDENTIAL STRUCTURE.** A residence on a single lot including a site-built home, a condominium, duplex, apartment, or any other single-unit or multi-unit residential building.

(b) The governing body of any municipality or county or any agency thereof, may not directly or indirectly adopt or enforce any ordinance, or state or local building code provision requiring the installation of any latent feature in any residential structure.

Section 2. This act shall become effective on the first day of the third month following its passage and approval by the Governor, or its otherwise becoming law.

NAHB Professional Women in Building Week celebrates the achievements of women in residential construction and encourages women to join and enrich the home building profession. All NAHB members can **promote and support women in the industry** by bringing awareness to the opportunities and successes careers in construction provide.

WE WELCOME YOU TO CONNECT & COLLABORATE WITH US ON ALL OUR CHANNELS:

The Alabama Legislature passes regulations concerning **CLUSTER MAIL BOXES**

Under the former existing law, a residential real estate developer could install centralized mail delivery devices often referred to as “cluster mailbox units” in residential neighborhoods.

The newly passed HB347 would prohibit installation of centralized mail delivery devices by residential real estate developers in certain new residential neighborhoods. for full text of the newly signed bill please visit: <https://www.legislature.state.al.us/pdf/SearchableInstruments/2023RS/HB347-enr.pdf>
