Section 0.1 Association. The REALTOR® association or multiple listing service organization through which participants and subscribers receive and/or purchase IRMLS service.

Section 0.2 IRMLS. Means Indiana Regional MLS LLC which provides the Multiple Listing Service to participants and subscribers through Associations.

Section 0.3 Multiple Listing Service or MLS. A multiple listing service is a means by which authorized participants make blanket unilateral offers of compensation to other participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law); by which cooperation among participants is enhanced, by which information is accumulated and disseminated to enable authorized participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as procuring cause of the sale (or lease).

Section 0.4 Service area. The area within which the service shall function, its "service area" shall at all times be coextensive with the States of Indiana, Illinois, Michigan, Kentucky, and Ohio.

Listing Procedures

Section 1 Listing Procedures

Listings of real property of the following types, which are listed subject to a real estate broker's license, and are located within the service area of the multiple listing service, and are taken by participants on exclusive right-to-sell listing contracts and exclusive agency listing contracts shall be delivered to the multiple listing service within three (3) calendar days (excluding holidays) with the first day starting after all necessary signatures of seller(s) have been obtained, or in accordance with Section 1.01, whichever is less:

- a. single family homes
- b. vacant lots and acreage for sale or exchange
- c. multi-family buildings for sale or exchange
- d. business/commercial/industrial buildings for sale or exchange
- e. farms/agricultural
- f. mobile homes with real estate

Note 1: The multiple listing service does not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing service. However, the multiple listing service, through its legal counsel:

- may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants
- assure that no listing form filed with the multiple listing service establishes, directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller)

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing service.

The service does not accept **net listings**. **Open listings** are not accepted.

The **exclusive right-to-sell** listing is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The **exclusive agency** listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right-to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations.

Note 2: The multiple listing service does not regulate the type of listings its members may take. This does not mean that the service must accept every type of listing. The service does not accept open listings (unless acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But the service leaves its members free to accept listings to be handled outside the multiple listing service.

Note 3: The service accepts exclusively listed property that is subject to auction.

Section 1.01 Clear Cooperation

Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public.

Note 1: Exclusive listing information for required property types must be filed and distributed to other MLS participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of these MLS rules, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS participants.

Note 2: Section 1.01 Clear Cooperation is only applicable to the Residential property class.

Section 1.1 Types of Properties

Following are some of the types of properties that may be published through the service, including types described in the preceding paragraph that are required to be filed with the service and other types that may be filed with the service at the participant's option provided, however, that any listing submitted is entered into within the scope of the participant's licensure as a real estate broker:

- residential • motel-hotel
- residential income • mobile homes attached to real estate
- subdivided vacant lot • mobile home parks
- land and ranch • commercial income
- business opportunity • industrial

(New) Section 1.16 - Property Addresses

At the time of filing a listing, participants and subscribers must include a property address available to other participants and subscribers, and if an address doesn't exist a parcel identification number can be used. Where an address or parcel identification number are unavailable, the information filed with the MLS must include a legal description of the property sufficient to describe its location. **M**

The listing is active, public marketing is permitted, and is available for showings.

Expired: The listing agreement has expired. No public marketing is permitted.

Listed Coming Soon: The property has an active listing agreement and is available for sale or lease, public marketing is permitted but showings are not permitted Use of this status must comply with the requirements in Section 1.2.2.

Section 1.2.2 Listed Coming Soon

Upon execution of a valid listing agreement and a *Listed Coming Soon Authorization Form* signed by seller, a property listing may use the "Listed Coming Soon" status, subject to these MLS rules and regulations.

- (a) *Listed Coming Soon Authorization Form* – The completed form must be submitted by the listing Participant to her/his Association.
- (b) *Data entry* – Listings in the Listed Coming Soon status must complete the Start/End Date field and the Start Showing Date field to indicate when the property will be Active and available for showings. All required fields and photos must be submitted when the listing is input into the MLS system.
- (c) *Temporary status* – The Listed Coming Soon status is a temporary status that can only be used once. A listing may use the Listed Coming Soon status for a maximum of 21 days after which the listing will automatically change to Active status. The listing broker can specify a shorter period of time (less than 21 days) for the Listed Coming Soon listing to automatically change to Active status. Additionally, the listing broker may change the listing to Active (or another status) at any time prior to the accrual of the 21 days; no other statuses can be changed to the Listed Coming Soon status. Days on market start when the listing is entered in the Listed Coming Soon status and continue to accrue when the listing goes to Active status.
- (d) *No showings or open houses* – A listing in the Listed Coming Soon status is not eligible for showings or open houses. Any showings or open houses will disqualify the listing from the status and will trigger the listing to be changed to Active status within one (1) business day. Future showings and open houses may be scheduled for the property after the Start Showing Date.
- (e) *Display in MLS system and distribution* – Listings in the Listed Coming Soon status are displayed in the MLS system and are viewable to all participants and subscribers, and are distributed to MLS advertising data feeds, including broker public advertising (IDX) and real estate listings websites (public portal sites). Listings in the Listed Coming Soon status are distributed to VOWs and may be included in other MLS software (e.g., showing services).
- (f) *Marketing* – Participants and subscribers are permitted to share the listings in the Listed Coming Soon status with their clients and customers, but must indicate the date on which the listing will be Active (i.e., Start Showing Date), and publicly market listings in the Listed Coming Soon status in accordance with these MLS rules.

Section 1.3 Exempt Listings

If the seller refuses to permit the listing to be disseminated by the service, the participant may then take the listing (office exclusive) and such listing shall be filed with the Association, but not disseminated to the participants. The participant must file the office exclusive listing with her/his Association by submission of the Office Exclusive Form, or substantially similar form that includes (i) a certification signed by the seller that she/he does not desire the listing to be disseminated by the

service; (ii) that by not submitting the listing to the MLS, the listing will not be searchable in the MLS database, will not be disseminated to other IRMLS participants and subscribers; and (iii) is subject to the Clear Cooperation Policy. Association may share the completed Office Exclusive form with IRMLS.

Note 1: MLS participants must distribute exempt listings within one (1) business day once the listing is publicly marketed. See Section 1.01, Clear Cooperation.

Section 1.4 Change of Status of Listing

Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the service within one (1) calendar day (excluding holidays) after the authorized change is received by the listing broker.

Section 1.5 Withdrawal of Listing Prior to Expiration

Listings of property may be withdrawn from the multiple listing service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the multiple listing service may remove the listing at the request of the seller.

Section 1.6 Contingencies Applicable to Listings

Any contingency or conditions of any term in a listing shall be specified and noticed to the participants.

Section 1.7 Listing Price Specified

The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings unless the property is subject to auction.

Section 1.8 Listing Multiple Unit Properties

All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the property data form. When part of a listed property has been sold, proper notification should be given to the multiple listing service.

Section 1.9 No Control of Commission Rates or Fees Charged to Participants

The multiple listing service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by participants. Further, the multiple listing service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating participants or between participants and nonparticipants.

Section 1.10 Expiration of Listings

Listings filed with the multiple listing service will automatically be removed from the compilation of active listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed.

If notice of renewal or extension is received after the listing has been removed from the compilation of active listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the service.

Section 1.11 Termination Date on Listings

Listings filed with the service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.12 Service Area

Subject to each Association's mandatory listing area, only listings of the designated types of property located within the service area of the MLS are required to be submitted to the service. Listings of property located outside the MLS's service area will be accepted if submitted voluntarily by a participant but cannot be required by the service.

Section 1.13 Listing of Suspended Participants

When a participant of the service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, MLS participant and/or subscriber agreements, or other membership obligation except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the suspended participant shall, at the participant's option, be retained in the service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a participant has been suspended from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listings from the MLS, the suspended participant should be advised, in writing, of the intended removal so that the suspended participant may advise his clients.

Section 1.14 Listing of Expelled Participants

When a participant of the service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the expelled participant shall, at the participant's option, be retained in the service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a participant has been expelled from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the expelled participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled participant's listings from the MLS, the expelled participant should be advised, in writing, of the intended removal so that the expelled participant may advise his clients.

Section 1.15 Listing of Resigned Participants

When a participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned participant's listings from the MLS, the resigned participant should be advised, in writing, of the intended removal so that the resigned participant may advise his clients.

Section 1.16 Listing Agent Must be Subscriber: In order for a listing to be included in the MLS system, the listing agent must be a Subscriber affiliated with a Participant of the MLS who is a current member in good standing. Co-Exclusive listings with a Non-Participating office (or Non-Participating Brand Offices) of the MLS service are not accepted. A fine of \$350 will be assessed to the Participant if the co-exclusive listing is entered into the MLS system.

Section 1.17 Documentation Upon Request: All MLS documentation and documentation related to the listing (e.g., listing agreement, addendums, etc.) must be provided immediately upon request, but no more than 24 hours after such a request by the Association or IRMLS. The listing broker grants the MLS permission to audit listing files to determine compliance with the MLS Rules & Regulations for up to one year past the closing or expiration date of the listing. If the Participant does not comply with an audit request a fine of \$100 per day thereafter may be assessed and/or access to MLS data for that firm may be suspended until such compliance is obtained.

Section 1.18 Use of Marketing in Remarks Field: It is the policy of the MLS that the Listing Remarks Section in the MLS System must only be used for information that is descriptive and relevant to an accurate description of the listed property. The MLS does not permit the placement of any contact information including listing agent, broker name, phone number, company names, email addresses, web addresses, or other information of this nature that does not serve to describe the listed property is a violation. Any violation of this policy shall be considered a violation of the MLS Rules and IDX Policies.

Section 1.19 Properties Subject to Auction. A listing broker may submit a listing of an eligible listing type that is subject to auction. All listings subject to auction may only be entered into the Auction Class of the MLS database without exception. It must display the exact list price as it appears on the Listing Contract and the circumstances under which cooperating brokers will be compensated in the event of a successful closing. The listing record for a property subject to auction must specify the type of auction (for example, absolute, minimum bid, or reserve) and the license number of the auctioneer must be entered.

Selling Procedures

Section 2 Showings and Negotiations

Appointments for showings and negotiations with the seller for the purchase of listed property filed with the multiple listing service shall be conducted through the listing broker, except under the following circumstances:

- a. the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- b. after reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers.

Section 2.1 Presentation of Offers

The listing broker must make arrangements to present the offer as soon as possible or give the cooperating broker a satisfactory reason for not doing so.

Section 2.2 Submission of Written Offers

The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 2.3 Right of Cooperating Broker in Presentation of Offer

The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, written affirmation stating that the offer has been submitted to the seller or written notification that the seller has waived the obligation to have the offer presented. (M 2019)

Section 2.4 Right of Listing Broker in Presentation of Counter-offer

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

Section 2.5 Reporting Sales to the Service

Status changes, including final closing of sales and sales prices, shall be reported to the multiple listing service by the listing broker within two (2) calendar days (excluding holidays) after they have occurred. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within one (1) calendar day (excluding holidays) after occurrence and the listing broker shall report them to the MLS within two (2) calendar days (excluding holidays) after receiving notice from the cooperating broker.

Note 1: The listing agreement of a property filed with the MLS by the listing broker must include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If

deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement must also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants.

Note 2: Reporting of the sale price is required by the MLS.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records.

Section 2.6 Reporting Resolution of Contingencies

The listing broker shall report to the multiple listing service within one (1) calendar day (excluding holidays) that a contingency on file with the multiple listing service has been fulfilled or renewed, or the agreement cancelled.

Section 2.7 Advertising of Listings Filed with the Service

A listing shall not be advertised by any participant other than the listing broker without the prior consent of the listing broker.

Section 2.8 Reporting Cancellation of Pending Sale

The listing broker shall report immediately to the multiple listing service the cancellation of any pending sale, and the listing shall be reinstated immediately.

Section 2.9 Disclosing the Existence of Offers

Listing brokers, in response to inquiries from buyers or cooperating brokers, shall, with the seller’s approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker.

Section 2.10 Availability of Listed Property

Listing brokers shall not misrepresent the availability of access to show or inspect listed property.

Refusal to Sell

Section 3 Refusal to Sell

If the seller of any listed property filed with the multiple listing service refuses to accept a written offer satisfying the terms and condition stated in the listing, such fact shall be transmitted immediately to the service and to all participants.

Prohibitions

Section 4 Information for Participants Only

Any listing filed with the service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker.

Section 4.1 For Sale Signs

Only the for-sale sign of the listing broker may be placed on a property.

Section 4.2 Sold Signs

Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign.

Section 4.3 Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the REALTORS®' Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 4.4 Use of the Terms MLS and Multiple Listing Service

No MLS participant, subscriber, or licensee affiliated with any participant shall, through the name of their firm, their URLs, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise.

(New) Section 4.5, Services Advertised as "Free"

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. **M**

Division of Commissions

Section 5 Compensation Specified on Each Listing

The listing broker shall specify, on each listing filed with the multiple listing service, the compensation offered to other multiple listing service participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

In filing a property with the multiple listing service of an association of REALTORS®, the participant of the service is making

blanket unilateral offers of compensation to the other MLS participants and shall therefore specify on each listing filed with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell. The compensation specified on listings filed with the listing service shall appear in one of two forms. The essential and appropriate requirement by an association multiple listing service is that the information to be published shall clearly inform the participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. by showing a percentage of the gross selling price
2. by showing a definite dollar amount

The listing broker retains the right to determine the amount of compensation offered to other participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different.

This shall not preclude the listing broker from offering any MLS participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the other specified compensation is not the result of any agreement among all or any other participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

Note 1: The service does not require the listing broker to disclose the amount of total negotiated commission in his listing contract, and the service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2: The listing broker may, from time to time, adjust the compensation offered to other multiple listing service participants for their services with respect to any listing by advance published notice to the service so that all participants will be advised.

Note 3: The service makes no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the listing broker.

Note 4: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.

Section 5.0.1 Disclosing Potential Short Sales

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants.

When disclosed, participants may, at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants.

Where participants communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between the listing and cooperating participants, listing participants shall disclose to cooperating participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within one (1) calendar day (excluding holidays) of receipt of notification from the lender.

Section 5.1 Participant as Principal

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest

when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service participants.

Section 5.2 Participant as Purchaser

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Section 5.3 Dual or Variable Rate Commission Arrangements

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

Section 5.4 Display of Listing Broker's Offer of Compensation

Participants and subscribers who share the listing broker's offer of compensation for an active listing must display the following disclaimer or something similar. *The listing broker's offer of compensation is made only to participants of the MLS where the listing is filed.* **M**

Service Charges

Section 6 Service Fees and Charges

6.1 Each Association that provides multiple listing service via IRMLS shall establish its own schedule of service fees, dues, and charges, which may include an initial participation fee(s) and recurring participation fee(s), for MLS service. Each Association shall establish the terms and conditions related to payment of fees and charges, and bill and collect payment from participants and/or subscribers directly.

6.2 Each Association shall adopt and implement a policy that provides participants with the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where the principal broker participates. The Association may, at their discretion, require that broker participants sign a certification for nonuse of its MLS services, by their licensees, which can include penalties and termination of the waiver if violated.

6.3 IRMLS shall establish a schedule of fees for data feeds for participant use of MLS data; such uses include IDX, VOW, firm internal, and valuation purposes. IRMLS shall collect data feed fees directly from participants, subscribers, and third-party vendors, as appropriate.

Compliance with Rules

Section 7 Compliance with Rules—Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision, and the MLS policies of their respective Association.

IRMLS or Association may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. *(Amended 3/15)*

Note 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the IRMLS Board of Directors or Association, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. *(Amended 03/15)*

Note 2: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who as received more than three (3) administrative sanctions within a calendar year.

Section 7.1 Compliance with Rules

The following action may be taken for noncompliance with the rules:

- a. for failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) days' notice has been given, the service shall be suspended until service charges or fees are paid in full;
- b. for failure to comply with any other rule, the provisions of Section 9 shall apply.

Section 7.2 Applicability of Rules to Users and/or Subscribers

Non-principal brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the rules and regulations. Further, failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the participant to the same or other discipline. This provision does not eliminate the participant's ultimate responsibility and accountability for all users or subscribers affiliated with the participant. *(Adopted 4/92)*

Section 8 [RESERVED]

Enforcement of Rules or Disputes

Section 9 Consideration of Alleged Violations

The IRMLS Board of Directors or Association, as appropriate, shall give consideration to all written complaints having to do with violations of the rules and regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, and the participant or subscriber agreement with IRMLS, the enforcement of which are at the discretion of the IRMLS Board of Directors and Association, as further described herein.

When requested by a complainant, the MLS will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant.

Section 9.1 Violations of Rules and Regulations

If the alleged offense is a violation of the rules and regulations of the service, except as described below in Section 9.2, and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Association, and if a violation is determined, the Association may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the Association in accordance with its bylaws and rules and regulations within twenty (20) days following receipt of the directors' decision.

If, rather than conducting an administrative review, the Association has a procedure established to conduct hearings, any appeal of the decision of the hearing tribunal may be appealed to the board of directors of the Association within twenty (20) days of the tribunal's decision. Alleged violations involving unethical conduct shall be referred to the professional standards committee of the association of REALTORS® for processing in accordance with the professional standards procedures of the Association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the Association.

Section 9.2 Violations of data compliance and security policies

If the alleged offense is a violation of the IRMLS IDX policy (see Section 18), VOW policy (see Section 19), or data security policy, and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by IRMLS in accordance with the IRMLS Data Compliance Policy, adopted by the IRMLS Board of Directors on June 22, 2016. Consistent with the Data Compliance Policy, and if a violation is determined, IRMLS may direct the imposition of sanction. Any appeal of the decision of IRMLS may be appealed to the IRMLS Board of Directors within twenty (20) days of IRMLS's decision.

Section 9.3 Violations of the Clear Cooperation Policy

If the alleged offense is a violation of the Clear Cooperation Policy (see Section 1.01) and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Association where the listing participant participates, in accordance with that Association's enforcement procedures and these rules. Each Association's disciplinary measures must include, at a minimum, the following sanctions, per subscriber: first violation: written warning, second violation: \$500 fine, third violation: \$1,500 fine, for additional violations after three violations, the participant and subscriber must appear before the IRMLS Board of Directors and the IRMLS Board of Directors will consider the imposition of sanction(s) in accordance with Section 7. Determinations by the IRMLS Board of Directors are final.

Participants and subscribers may report complaints of non-compliance with IRMLS's Clear Cooperation Policy (see Section 1.01) by submitting the Clear Cooperation Policy Reporting Form to their local Association. IRMLS and the Associations will work together to consider reported, alleged violations.

Section 9.4 Complaints of Unethical Conduct

All other complaints of unethical conduct shall be referred by IRMLS to Association for appropriate action in accordance with the professional standards procedures established by the Association.

Section 9.5 Complaints of Unauthorized Use of Listing Content

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to IRMLS and participant's Association executive. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to IRMLS and participant's Association executive not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.5 of the MLS rules.

Upon receiving a notice, IRMLS will send the notice to the participant who is accused of unauthorized use. IRMLS shall provide a copy of the notice to participant's Association executive and Association's director on the IRMLS Board of Directors. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to IRMLS that the use is authorized. Any proof submitted will be considered by the IRMLS Board of Directors, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the IRMLS Board of Directors determines that the use of the content was unauthorized, the IRMLS Board of Directors may

issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction in accordance with these rules.

If after ten (10) days following transmittal of the IRMLS Board of Director's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

Section 9.6 MLS Rules Violations

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules.

Confidentiality of MLS Information

Section 10 Confidentiality of MLS Information

Any information provided by the multiple listing service to the participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such participants.

Section 10.1 MLS not Responsible for Accuracy of Information

The information published and disseminated by the Service is communicated verbatim, without change by the Service, as filed with the Service by the Participants. The Service does not verify the information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Ownership of MLS Compilation* and Copyright

The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

IRMLS maintains written participant and subscriber agreements with participants, subscribers, and users of the MLS service. At the option of each participant, the copyrights in the property listing content may be assigned to IRMLS pursuant to the participant agreement between the participant and IRMLS. In the event there is no assignment, participant licenses the property listing content to IRMLS as described in the IRMLS's participant agreement and Section 11.0. Participants' and subscribers' obligations in these MLS rules are cumulative to participant's and subscribers' obligations under their respective participant or subscriber agreement with IRMLS.

Section 11.0

Subject to the terms of IRMLS participant and subscriber agreements, by the act of submitting any property listing content to the MLS the participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. (M 2019)

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

- (1) Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
- (2) Develop and post a DMCA-compliant website policy that addresses repeat offenders.
- (3) Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
- (4) Have no actual knowledge of any complained-of infringing activity.
- (5) Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
- (6) Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP’s copyright infringement liability. For more information see 17 U.S.C. §512.

Section 11.1

All right, title, and interest in each copy of every multiple listing compilation created and copyrighted by the IRMLS and in the copyrights therein, shall at all times remain vested in the IRMLS.

Section 11.2

Each participant shall be entitled to lease from the IRMLS a number of copies of each MLS compilation sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such compilation. The participant shall pay for each such copy the rental fee set by the association. This section should not be construed to require the participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

Participants shall acquire by such lease only the right to use the MLS compilation in accordance with these rules.

Use of Copyrighted MLS Compilation

Section 12 Distribution

Participants shall, at all times, maintain control over and responsibility for each copy of any MLS compilation leased to them by the IRMLS, and shall not distribute any such copies to persons other than subscribers who are affiliated with such participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage

in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an association multiple listing service where access to such information is prohibited by law.

Section 12.1 Display

Participants and those persons affiliated as licensees with such participants shall be permitted to display the MLS compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation.

Section 12.2 Reproduction

Participants or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers a reasonable number of single copies of property listing data contained in the MLS compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the participants or their affiliated licensees, be interested. It is intended that the participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on a particular property for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement were deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. (Amended 3/15)

Section 13 Limitations on Use of MLS Information

Use of information from MLS compilation of current listing information, from the association's statistical report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS participant or in other public representations, may not be prohibited. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant’s oversight, supervision, and accountability.

b. As used in Section 19 of these rules, the term “participant” includes a participant’s affiliated non-principal brokers and sales licensees—except when the term is used in the phrases “participant’s consent” and “participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an “Affiliated VOW Partner” (AVP) on behalf of a participant.

c. “Affiliated VOW Partner” (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant’s supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW.

d. As used in Section 19 of these rules, the term “MLS listing information” refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants.

Section 19.2

a. The right of a participant’s VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

b. Subject to the provisions of the VOW policy and these rules, a participant’s VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., “Internet Data Exchange” (IDX).

c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant’s VOW.

Section 19.3

a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.

i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.

iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password.

b. The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password.

c. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

d. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:

i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant

ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use

iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW

iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property

v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database

e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click.

f. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant.

Section 19.4

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW.

Section 19.5

A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 19.6

- a. A participant’s VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller’s listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.
- b. A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision.

<p>Seller Opt-Out Form</p> <p>1. Please check either Option a or Option b</p> <p>a. <input type="checkbox"/> I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.</p> <p>b. <input type="checkbox"/> I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.</p> <p>2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.</p> <p>_____</p> <p>initials of seller</p>
--

- c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater.

Section 19.7

- a. Subject to Subsection b., below, a participant’s VOW may allow third-parties:
 - i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
 - ii. to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.
- b. Notwithstanding the foregoing, at the request of a seller, the participant shall disable or discontinue either or both of those features described in Subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants’ websites. Subject to the foregoing and to Section 19.8, a participant’s VOW may communicate the participant’s professional judgment concerning any listing. A participant’s VOW may notify its customers that a particular feature has been disabled at the request of the seller.

Section 19.8

A participant’s VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within two (2) calendar days (excluding holidays) following receipt of a communication from the listing broker explaining why the data or information is false. The participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 19.9

A participant shall cause the MLS listing information available on its VOW to be refreshed at least once every three (3) calendar days (excluding holidays).

Section 19.10

Except as provided in these rules, in the NATIONAL ASSOCIATION OF REALTORS®' VOW policy, or in any other applicable MLS rules or policies, no participant shall distribute, provide, or make accessible any portion of the MLS listing information to any person or entity.

Section 19.11

A participant's VOW must display the participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 19.12

A participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, ~~cooperative compensation offered by listing broker, and whether the listing broker is a REALTOR®.~~^M

Section 19.13

A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies.

Section 19.14

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant.

Note: Adoption of Sections 19.15 through 19.19 is at the discretion of the MLS. However, if any of the following sections are adopted, an equivalent requirement must be imposed on participants' use of MLS listing information in providing brokerage service through all other delivery mechanisms.

Section 19.15

A participant's VOW may not make available for search by or display to Registrants any of the following information:

- a. expired and withdrawn listings
- b. the compensation offered to other MLS participants
- c. the type of listing agreement, i.e., exclusive right-to-sell or exclusive agency
- d. the seller's and occupant's name(s), phone number(s), or e-mail address(es)
- e. instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property

Section 19.16

A participant shall not change the content of any MLS listing information that is displayed on a VOW from the content as it is provided in the MLS. The participant may, however, augment MLS listing information with additional information not otherwise prohibited by these rules or by other applicable MLS rules or policies, as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS listing information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 19.17

A participant shall cause to be placed on his or her VOW a notice indicating that the MLS listing information displayed on the VOW is deemed reliable, but is not guaranteed accurate by the MLS. A participant's VOW may include other appropriate disclaimers necessary to protect the participant and/or the MLS from liability.

Section 19.18

A participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm ~~and~~ the listing broker or agent, and the email or phone number provided by the listing participant in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.

Section 19.19

A participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings or 50% of the listings in the MLS, whichever is less in response to any inquiry.

Section 19.20

A participant shall require that Registrants' passwords be reconfirmed or changed every 90 days.

Section 19.21

A participant may display advertising and the identification of other entities ("co-branding") on any VOW the participant operates or that is operated on his or her behalf. However, a participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this section, co-branding will be presumed not to be deceptive or misleading if the participant's logo and contact information (or that of at least one participant, in the case of a VOW established and operated on behalf of more than one participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 19.22

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 19.23

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS.

Section 19.24

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 19.25

Where a seller affirmatively directs his or her listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within two (2) calendar days (excluding holidays).
