February 2024

## What I'm Thinking About

**By Andy Mayer President/CEO**

In the interest of keeping you informed and with a nod to Kris Johnson, Association of Washington Business, President & CEO, and his "Friday Five," my article is changing to short paragraphs, on various things relating to the Chamber. Here goes:

1. The Economy: How is the economy doing and how does it relate to your business? There are two opportunities this month for you to hear perspectives on the topic. At our Luncheon on February 28, the previously mentioned Kris Johnson will speak on the "State of the Economy". Kris' deep knowledge of Washington businesses, and how the economic forces affect us, always make his presentations interesting and useful. To expand your knowledge further, EDASC's Economic Forecast Night on the 15th will explore economic and business trends, and how they relate to economic development.

2. 2024 Washington Legislative Session: In whirlwind fashion, the Legislature is considering a myriad of new laws. Of note are the companion bills on gift cards, SB5988/HB2095, which would require unused gift cards to go to the state as unclaimed property. The related bills SB5987/HB2094, which would have made it so that up to \$50 remaining on gift cards could be cashed out, have fortunately been killed. For updates on what's happening in Olympia, check out Legislative Session "Top News" and "Legislation of Note" from AWB. They can be seen on our website. We appreciate being able to share the information with you, without necessarily endorsing the opinions expressed.

The Mount Vernon Chamber of Commerce has the following opportunities available: Monthly Luncheons, Skagit Chili & Chowder Cook-Off, Riverwalk Summer Concert Series, Skagit Beer & Wine Festival, Your Chamber This Week Sponsorships, Newsletter Inserts, and Newsletter Ads. These are a great way to increase exposure with fellow Chamber members and the community at large, and the Chamber makes it easy to participate. See the marketing opportunity insert in this newsletter for details on each sponsorship, as well as other opportunities available with the Chamber.

**What I'm Thinking About Continued from page 1**

3. Generations in the Workplace: I've been thinking about how the different generations behave differently at work and participate in civic affairs, including the Chamber. With five generations in the workforce currently, that's a lot to manage at your company and for the Chamber to serve. Preferences in how to communicate and how to serve the community and the world have changed tremendously in the last few decades. Having been with Chambers over that span, I know what we've done. I'm more interested in what we should do--with (and for) the emerging Generation Z. Let's work on it together.

4. Multi-Chamber After Hours at White Branches: This event on February 8, from 4:30 to 6:00 p.m., is not to be missed. White Branches is a tea house by day and something like a visit to Alice in Wonderland at night. Trust me—it's an interesting and fun place! To top it off, catering will be provided by downstairs neighbor, Il Granaio.

Have a good and productive month, with a bit of fun along the way!

Andy
