

Introducing Chamber Plus

A new health plan for employers with 51 to 99 employees

Anthem is offering qualified businesses in Georgia a new health plan option in 2023 with more savings and enhanced value. The Chamber Plus package combines special features designed to help companies with 51 to 99 enrolled employees save on their healthcare costs while enhancing the value of coverage for their employees. Chamber Plus includes credits, discounts, and savings on first-time membership dues when businesses join the Georgia Chamber of Commerce (or any chamber that is part of the Chamber Federation). Becoming a chamber member prior to enrollment is required to be eligible for the Chamber Plus plan.

Employers who choose Chamber Plus enjoy a bundle of benefits:

One free wellness consultation with Anthem's Health and Wellness team about programs to support a healthy, productive workforce.

A \$2,000 fund that can be used for planned or new initiatives the employer chooses in either wellness programming or technology needs.

\$200 in membership dues paid by Anthem for a small business with 51 to 99 employees that joins the Georgia Chamber of Commerce or a member of one of the chamber associations affiliated with the Georgia Chamber Federation.

First-year renewal guarantee, subject to claims experience and applicable only to fully insured groups.

A complete selection of current medical plans, available to fully insured and Anthem Balanced Funding (ABF) plans that enroll 51 to 99 employees.

Discounts on medical rates* for fully insured and administrative services only groups that add dental, vision, life, and/or disability coverage, plus longer-term whole-person health savings on monthly medical costs.

Anthem Whole Health Connection brings benefits together for whole-person care

When companies add dental, vision, life, and/or disability to their medical coverage, their benefits are linked through Anthem Whole Health Connection®. This helps doctors and other healthcare professionals see a complete view of an individual's health. The result is better outcomes, efficiencies, and savings — at no added cost.

* Discount will be applied to the risk factor at the time the case is being underwritten. Net effective discount could be lower than posted rates and is subject to certain underwriting limitations and eligibility criteria, including actual dental, vision, life, or disability products purchased and determination of final enrollment. Excludes voluntary plans.
