

# EXECUTIVE OUTLOOK *THE ROAD AHEAD*

## ONE DAY EVENT - NOV. 1, 2021

FEATURING

### 8<sup>TH</sup> ANNUAL TECHNOLOGY & TELEMATICS FORUM

ASA is partnering with the **Alliance for Automotive Innovation** for the 8<sup>th</sup> Annual TTF program titled: **"A Changing Fleet."**

8<sup>th</sup> Annual Technology & Telematics Forum  
Sponsored by

Morning topics at TTF will include:

-  new vehicle advancements,
-  electric vehicles,
-  infrastructure, and
-  manufacturers' focus towards clean energy.

The afternoon **CARS "Executive Outlook – the Road Ahead"** segment will feature panel discussions and presentations providing valuable data and information. It will focus on:

-  Where the automotive service market is going,
-  Finding and keeping tomorrow's technical talent,
-  A special panel on changing the game through unconventional thinking in a conventional workplace, and
-  A technical session on the latest Advanced Driver Assist Systems (ADAS) technology that is continuously evolving.
