

ROLLING MEADOWS CHAMBER BUSINESS TESTIMONIALS

Arthur J. Gallagher & Co.

“The Rolling Meadows Chamber is a unique business partner interested in creating win/win solutions for all of Rolling Meadows’ stakeholders. It gives voice to businesses of all sizes within this community.

Because of its thoughtful economic development role and shared vision for a robust community and prosperous business environment, the Chamber is also well-respected by the City Council. Chamber leadership, actively participated in advising our company, Arthur J. Gallagher & Co., during the business application process with the City.

We are grateful for the collaboration and follow-through that the Chamber consistently demonstrated during our journey to make Rolling Meadows our new home and the site of our global headquarters. They do a great job of understanding, anticipating and supporting the needs of local businesses and balancing those with the community’s civic and municipal requirements.”

- Cara Richardson, Vice President - Sourcing and Services, Arthur J. Gallagher & Co.

“The Rolling Meadows Chamber has been a great partner for us during our growth journey. They have also helped us obtain tax incentives to expand our operations by working with local and state officials. They are always responsive to our needs and we can count on them to be there when we need assistance. “

Houman Kashanipour (HK), President, Weichai America

"I cannot say enough about the Rolling Meadows Chamber when we were opening our new facility in Rolling Meadows. They provided much help with city related permits and especially with our Ribbon Cutting/Grand Opening. The Chamber knew everything we should do to make it a great success.

This has been the most successful opening of our three locations. I recommend local businesses get connected to the Rolling Meadows Chamber."

THE STEEL SUPPLY COMPANY

" It is very meaningful to a business to have a voice in the community and someone who can help us through the issues we often don't have resources for within our own companies. The Rolling Meadows Chamber has been all of that and more. Not once in our almost 50 years in Rolling Meadows has the Chamber not been of assistance and we are really appreciative.

We look forward to being a Chamber member for years to come and to have more participation in your excellent programs and events."

David Sheer, Vice President/General Manager, The Steel Supply Company
