Consulting

## SESSION 1: RECRUITMENT 101

April 18, 2023, 7:30-9:00 am

Hiring new employees can take time. To help ensure you select the best possible candidate for the position, taking as much time as needed is often in your company's best interest. Full-cycle recruiting is one option for managing the process of bringing on new team members. Learn what full-cycle recruiting is, its benefits, the stages of full-cycle recruiting, and answers to frequently asked questions.

## SESSION 2: EMPLOYEE ENGAGEMENT

May 9, 2023, 7:30-9:00 am

Statistics show that engaged employees are more productive, motivated, and committed to the organization's success. Sadly, only 34% of the work focus is engaged. Leaving 50% of the work focus disengaged and, even worse, 16% actively disengaged. In this training, we will analyze employee engagement at every stage of the employee life cycle and provide tips and tools for fostering employee engagement, starting with attraction through to departure.

## SESSION 3: LEADERSHIP BASICS

May 19, 2023, 7:30-9:00 am

"Leaders aren't born; they're made. They are made by hard effort, the price all of us must pay to achieve any worthwhile goal." Vince Lombardi. Being a leader of others might be one of the hardest jobs in our careers. This training will provide new and tenured leaders with the tools and skills needed to become effective leaders. We will compare different leadership styles, assess the essential qualities of a great leader, and discuss the differences between a manager and a leader.
