GLEN ART THEATER, 2017

EARLY HISTORY OF GLEN ELLYN

The first European-American Settlers arrived in this area in 1833, after members of the Potawatomi tribe were moved further west by the federal government. Three Babcock brothers made claims of land along what would become St. Charles Road and this settlement was called Babcock's Grove. As additional families arrived, a log cabin schoolhouse was constructed, located on today's Riford Road, and was the community's first public building.

The Stacy family arrived and purchased land on what is now Geneva Road, where they constructed a wayside inn in 1846, a tavern for travelers and farmers on their way to market. This building is still on its original foundation and is Glen Ellyn's first museum: Stacy's Tavern Museum.

The community became known as Stacy's Corners.

As the railroads planned their first tracks in this region, the residents of Stacy's Corners tried to persuade the new railroad to lay tracks by their settlement. But Dr. Lewey Newton owned land a mile south in what we now call "downtown" Glen Ellyn. He built a train station at his own expense in 1848 which shifted the center of the community. This stop became known as Newton Station. In 1851, David Kelley became station agent. There was already a Newton town in Illinois, so Kelley named the town "Danby" for his birthplace in Vermont.

The quiet country village of Danby changed its name in 1874 to Prospect Park, after some of the men who returned from the

Civil War had altered the town's reputation to "rowdyish" with their behavior. In the 1880s, Prospect Park transformed into a Chicago suburb. Successful businessman and author Thomas E. Hill settled here in 1885 with his wife Ellen. It is thought that the town's name was changed to Glen Ellyn in honor of the Lewellyn family, and with the Welsh spelling of Ellen Hill's first name.

The creation of Lake Ellyn came by damming up a stream. The local mineral springs also attracted visitors and further changed the town's character. The Glen Ellyn Hotel and Springs Company enhanced the springs and built Hotel Glen Ellyn, which was struck by lightning and destroyed by fire in 1906. Not long afterwards, the Glen Ellyn Volunteer Fire Department was organized in 1907 and remains vibrant to this day.

SHOP LOCAL SHOP GLEN ELLYN

When it comes to shopping and finding local treasures, Glen Ellyn offers a wide mix of diverse and unique retail businesses. You will find just what you need for everyday basics, specialty gifts, or family celebrations, whether you are strolling through the charming downtown or visiting a store along Roosevelt Road.

You can find trendy boutiques, a good read, furniture and home accessories, handmade textiles, antiques, quirky or fine jewelry, specialty olive oil, high-end kitchen products, toys for kids or pets, a new bicycle or an exotic houseplant. How's that for a range of shopping opportunities?

Today, more than ever, it is important to support local and shop local. For every dollar spent at a small business, approximately 67 cents stays right here in the Glen Ellyn community. Just as importantly, many local businesses give back to the community through support of schools, non-profit organizations, and the Glen Ellyn Chamber of Commerce.

Not sure what to give someone? Glen Ellyn Chamber of Commerce gift certificates are available in five denominations and can be spent at any Chamber member, whether restaurant or retail. Purchase gift certificates at the Chamber office, the Library, or the History Center, and give someone the gift of shopping their way through town.

OPTIONS FOR EVERY FLAVOR & OCCASION

With everything seen and heard in the news about the challenges facing restaurants today, it's important to give a shout out to our local restaurants and re-emphasize what local support means to them. Remarkably, all of Glen Ellyn's restaurants survived the recent pandemic shutdowns and restrictions, and the town even gained some new restaurants during that time. By eating your favorite meals right here close to home, it's a win-win for everyone involved.

GET OUTSIDE & ENJOY THE FUN

Glen Ellyn boasts beautiful Lake Ellyn, once a renowned vacation destination. Today, this scenic Village offers homes with a variety of architectural styles set among rolling woodland hills and surrounded by mature trees and more than 25 parks and playgrounds maintained by the Glen Ellyn Park District, the Willowbrook Wildlife Forest Preserve, and the Village Links Golf Course. The Illinois Prairie Path runs through the center of town.

Lake Ellyn Park, the scene of the annual Glow in the Park Lantern Walk, is a picturesque spot where naturalists and volunteers have made great strides toward restoring the native oak savanna. Refurbished in 2016, the historic Lake Ellyn Boathouse is considered the “jewel” of Glen Ellyn.

The Glen Ellyn Park District has ample activities year-round from platform tennis to disc golf. The District also operates Holes & Knolls, a 36-hole miniature golf course; an off-leash dog park; Sunset Pool, which features a waterslide and diving boards; a splash park; and two recreation centers which offer a range of camps and classes. In the winter, the sled hill and outdoor ice rinks are popular spots for cold-weather fun.

Village Links of Glen Ellyn is a Village-owned golf course offering 27 holes of golf boasting a top-rated, 7,200-yard championship 18-hole course. The Links has hosted 47 USGA and PGA Tour Qualifying events. The regulation length 9-hole course is ideal for the serious golfer as well as casual play.

A DESTINATION FOR HIGH ACADEMIC ACHIEVEMENT

No matter where in Glen Ellyn a family lives, children can attend a public school district known for high student academic achievement and growth, a strong sense of community, and active family involvement. Glen Ellyn School District 41 includes four elementary schools and one junior high school on the north side of town. Community Consolidated District 89 serves the southern part of Glen Ellyn and also includes four elementary schools and one middle school. The two districts feed into Glenbard Township High School District 87. District 41 students attend Glenbard West High School, while District 89 students attend Glenbard South High School. Both high schools are known for

student success, a focus on college and career readiness, and have recently been included on US News & World Report's list of the best high schools in the country. Glenbard West celebrated its 100th anniversary in 2022, while Glenbard South marked 50 years at the same time.

In addition to top rated public schools, Glen Ellyn is home to two quite sought-after private Catholic schools. St. James the Apostle on the south side and St. Petronille in the heart of downtown both provide preschool through eighth-grade education.

Glen Ellyn is also home to College of DuPage, one of the largest community colleges in the United States, providing an

accessible, affordable and comprehensive higher education. Offerings include classes for high school, college, workforce training, continuing education, and personal enrichment.

The Glen Ellyn Public Library is more than just books! It is an excellent resource for students, families, and even businesses. There are programs for every age group from preschool through senior, and a Technology Center with internet access, a media lab, and 3-D printing. The Library hosts activities ranging from computer classes to music classes to trivia nights, and also has a meeting room available for use by community groups. IN THE EVENT OF AN EMERGENCY, please dial 911 for police and fire department assistance.

THE GLEN ELLYN POLICE DEPARTMENT is staffed 24 hours per day, 365 days a year by 45 sworn police officers and 16 full- and part-time civilian employees. In 2017, the Police Department moved into its new 29,000-square-foot facility, located at 65 S. Park Blvd. This base of operations for the department offers enhanced safety features and a new modern-day facility to better serve the community. The GEPD responds to over 47,000 calls for service each year, and its staff excels at practicing a customer-service approach to law enforcement. The Department offers several community programs, including Coffee with the Cops, typically held monthly as an informal chat with the Chief in a group setting, and National Night Out, held on the first Tuesday in August.

THE GLEN ELLYN VOLUNTEER FIRE COMPANY is proud to serve the Village of Glen Ellyn, protecting the lives and properties of the Glen Ellyn community since 1907. Unique in the Chicagoland area, the company is volunteer based, saving the community over five million dollars each year and allowing neighbors to stand up for and protect neighbors.

On average, the GEVFC responds to 3,000 calls each year, fighting structure fires and performing rescue work as first responders to motor vehicle accidents. In addition, the GEVFC provides fire safety education and community outreach to our friends and neighbors. Every volunteer receives extensive training, and the company is one of the best equipped in the Chicagoland area.

Becoming a volunteer firefighter with the GEVFC is an incredible way to give back to the community and be a part of something bigger. If you'd like to make Glen Ellyn as safe as possible, the GEVFC has opportunities for you. Learn more about becoming a volunteer.

WHERE TO WORSHIP IN GLEN ELLYN

No matter their faith, residents in the Glen Ellyn area can find a welcoming place to worship. Almost every major religion or Christian denomination is represented in Glen Ellyn or the surrounding communities. And bringing all these faith traditions together each year is the annual Interfaith Prayer Breakfast, featuring a guest speaker and open to anyone, of any faith, wishing to join in prayer with neighbors from across all religious traditions. During the last several summers, the Interfaith Prayer Committee has also sponsored an outdoor evening of music and prayer at Lake Ellyn Park, again open to anyone, which showcased music and prayer from across all religious traditions.

GLEN ELLYN NON-PROFITS PAY IT FORWARD

Much can be said about a village that has community service at its core, and Glen Ellyn is no exception. Along with the hundreds of volunteers who serve on various community commissions and boards, and along with the remarkable fact that Glen Ellyn has a volunteer Fire Department, there are dozens of non-profit organizations in Glen Ellyn. These non-profits address everything from the basic needs of food and shelter to supporting education, recreation, and the arts. Many are philanthropic organizations, raising money through a variety of activities, and then distributing their profits to worthy causes. Nearly twenty percent of the membership of the Glen Ellyn Chamber of Commerce consists of non-profit organizations, attesting to how deeply enmeshed in the community they are, and how integral they are to the greater Glen Ellyn area.
