Globaltex Fine Linens

ECO FRIENDLY WASHABLE MASK

GLOBALTEX FINE LINENS

BENEFITS:

- Breathable
- Made in USA
- Washable
- FDA REGISTERED
FDA Registration Number: 3016998675
- Reusable
- Hypoallergenic
- Cotton USA

100% COTTON SATEEN 300 TC ECO FRIENDLY-WASHABLE MASK

About Sateen Fabric

Sateen finish fabric allows fabric to last longer and block dust. Sateen fabric, because of the meringing process, resist moldew, also making them a good choice for anyone suffering from allergies. Sateen Sheets drape well and also have a high thread count due to the cotton fibers used. Sateen fabric, like Egyptian cotton sheets, are breathable and suitable for daily use for its soft touch. Our mask is washable up to 20-30 washes if it is gently taken care of.

- Size: 4" x 7".
- White Color.
- Add your logo.
- 600 mask per box.

PRODUCED IN MIAMI, FLORIDA BY GLOBALTEX FINE LINENS

Interstate & Super Restoration

Decontamination Proactive and Reactive Services Available for COVID-19.

We offer two critical services for decontamination:

Proactive measures: protecting your teams in advance is as important as a quick response when a positive case is determined.

Reactive measures: when a case is determined, we will be ready to do the walkthrough and begin set up to start decontamination.

DISASTER RECOVERY SERVICES & RESTORATION

Water. Fire. Natural Disasters. Bio-Hazard

Interstate/Super helps rebuild after a natural disaster with property damage restoration and disaster recovery services.

Interstate/Super is an **emergency restoration** and **general contractor** company specializing in restoring commercial property nationwide. We make coping with a disaster more manageable by providing one place for all of your emergency restoration and disaster recovery services. This means you can focus on the important stuff—like getting back to business and life.

DISINFECTION SERVICES

25% OFF

FOR ALL MEMBERS

CALL US!
(305) 570-5449

A **FOGGER** is an invaluable tool in your ongoing efforts to protect your health. These fogger machines allow us to quickly and easily sanitize & disinfect an entire room, lobby, restrooms, elevators and other spaces with just the push of a button. How does a fogger work? A propellant inside triggers the release of a fine mist of powerful water based microparticles, eliminating contents that disperse throughout the area that is being disinfected, completely eradicating germs that cause diseases such as COVID-19.

OUR **SANITIZATION & DISINFECTION** program's goal is to prevent the spread of the SARS- COV-2, the cause of COVID-19, in your building. Additionally, we are committed to achieving a comprehensive cleaning level that goes with the hand of a janitorial and other specialized cleaning services.

This service procedure uses a safe, high-grade EPA-registered disinfectant that is highly effective against many communicable diseases as coronaviruses.

 **LINKHOSPITALITY**

TSAO DesignGroup

Inspirations Awards: ASPCA Community Veterinary Center

TSAO Design Group is proud and humbled to have received the Contract Magazine *Inspirations Award* for the design of the ASPCA Community Veterinary Center located in Liberty City in Miami. This project is the inspirational result of a successful partnership between the **American Society for the Prevention of Cruelty to Animals (ASPCA)** and **Miami-Dade County Animal Services Department (MDCASD)**.

This exciting project brings veterinary services to the Liberty City neighborhood of Miami, a large section of the City that is home to many lower income and much overlooked residences that are often unable to afford veterinary services for their pets. The ASPCA aims to provide better access to services for pet owners and improving the health and welfare of dogs and cats.

Check out our Honorable Mention in **Contract Magazine** for more information and images!

TSAO Design Group specializes in commercial, hospitality and retail projects, including office design, showroom design, brand development, and project implementation.

Let us help you with your next project.
