

# ACNM FAMILY SCHOLARSHIPS

The ACNM Family Scholarship offers opportunities for students for the upcoming fall semesters. ACNM has expanded its scholarship offering by providing an opportunity for members' **immediate family and employees** to apply for this scholarship. Students attending or accepted at **any College or University with any declared major or field of study** are eligible. ACNM is proud to offer a program that helps our members' children and employees achieve their dreams through a college education. Please visit [www.aconm.org](http://www.aconm.org) to apply.
