## Terri Kimble, President/CEO

Chandler Chamber of Commerce

@terri\_kimble

Both public school districts in Chandler, Chandler Unified, Tempe Union and Kyrene all have overrides on the ballot this fall. These are mail in ballots. I can't stress enough how important a strong education system is to the growth and development of Chandler. Not only are we concerned that our children receive the best education possible, but with that is the responsibility of promoting the fact to potential businesses and corporations that may want to make Chandler their home. I urge you to take a look at the overrides for both districts and consider voting to support these efforts. A strong, progressive educational system will only help our children to achieve success, but serve as an impressive catalyst to attract the businesses of the future.

Speaking of education, I am so excited for this year's Education and Workforce Development Forum. We are about to embark on a thrilling journey that promises to innovate the way we currently think of workforce development. I don't want to give too much away, but just make sure you save the date, November 9th for this special event.

That brings me to the Chandler Chamber's celebration of the Chandler 100 where we, along with the city of Chandler, honor the top 100 businesses in Chandler. We will be holding the event at Quantum Helicopter with some surprises in store for attendees. Chandler Mayor, Jay Tibshraeny will give the state of the business community address and we will have some very interesting videos from J2 Media on a few of our stakeholder businesses. It is a night dedicated to the stakeholder businesses that you won't want to miss. [Click here](#) to register.

## Chandler Mayor Jay Tibshraeny

@jaytibshraeny

Each year, the City of Tempe compiles a report that looks at the comparative cost of municipal services in the Valley's eight largest cities, Chandler included. I appreciate the efforts of our friends in Tempe, because the report shows, time and again, Chandler provides its residents a lot of bang for the buck.

Compiled in July of 2017, the report looks at property tax rates, sales tax rates and utility rates (solid waste, water and wastewater). Of the eight cities, Chandler ranks second overall, just above the Town of Gilbert. The estimated annual cost of the above-mentioned services to the typical Chandler homeowner is \$1,531. That is well below the survey average of \$1,795, and the highest cost city in the survey at \$2,137.

These are important numbers that Chamber members should be aware of. Our low sales and property tax rates are drivers for the local business community. Savvy shoppers – particularly for high-end items, will know they can make significant savings by shopping in Chandler. Business owners who also purchase goods from suppliers in the community benefit as well. And employees will be more inclined to live in the City where they work if they can see a true monetary benefit to do so.

Chandler's strong fiscal policies have allowed us to be so successful in providing service at a very attractive cost. We'll continue to maintain this path long into the future because it is a model that has, for decades, proven to be a solid one. On another note, I will again meet with members of the small business community on October 24 during the Fall Coffee with the Mayor session. This event has become increasingly popular these past few years and always brings up some interesting topics of conversation. I hope to see you there. And remember, you can read all the latest Chandler news at: [chandleraz.gov/newsroom](http://chandleraz.gov/newsroom), and follow me on Twitter for more news: @jaytibshraeny.

# CHANDLER AZ CHAMBER PUBLIC POLICY RECAP

## September Recap

On September 8th, Dawn Lang spoke about the new Chandler business registration proposition. She also spoke of the TPT (Transaction Privilege Tax) taking affect and some of its changes. Garrick Taylor from the U.S. Chamber also gave an update on the Capitol. On September 22nd, after touching on the controversial opioid epidemic, Representative Weninger spoke about the newly founded prisoner reform program that the Governor's office is sponsoring. This program is designed to help prisoners throughout Arizona develop the trade skills necessary to secure a job upon release.

This program is funded by contractors throughout the state who are in dire need of a long-term construction workforce. Secretary of State, Michele Reagan presented the updating changes she has made in several area of her department's processes in her department to increase transparency for candidates, and gathering information on elections.

# Ambassador of the Month

## Dave Waltzer

*Since Dave Waltzer is a rock star Ambassador and has taken Ambassador of the Month for a number of months now, we thought we would delve into the mind of a young and budding Mr. Waltzer and take a look at Dave Waltzer his senior year in high school! This article actually ran in Dave's home town newspaper in 1992. Wicked awesome even back in the day!*

**FAVORITE CLASS:** Marketing

**FAVORITE PASTIME:** Skiing, basketball

**FAVORITE BAND:** Aerosmith

**FAVORITE MOVIE:** Wall Street

**PRIZED POSSESSION:** Autographed Ricky Henderson bat

**PET PEEVE:** People who leave time on the Microwave (right?)

**AMBITION:** CEO of an international corporation

Sponsored by

*David Waltzer is a recent graduate of Wakefield High School and has high ambitions for his life. Since his sophomore year, David has been involved in the high school marketing classes. He has worked his way up to Marketing 3 and was the president of Distributive Education Clubs of America, (DECA). The job of DECA president carries many responsibilities. As president he wrote ads for the newspaper and prepared the team for competitions. David finished among the state's top 10 competitors.*

*David's favorite class was marketing and worked in the DECA store during the day. There he figured percentages, made merchandising decisions and reviewed sales pitches. Currently, David is employed at Little Ceasars Pizza. David also took part in the school fashion show, science club and track and field.*

*Waltzer says that while he has a great love for his family, his friends are also a big part of his life. While he loved his years in high school, he can't wait to get out into the world and accomplish his dreams.*

**\*Fun to discover how Dave's love for people and business as a young man, shaped the guy we know, like and respect today. After serving his country and entering into business, it is a pleasure to have his expertise to mentor our new members. Way to go Dave!**

The galactic feeling is strong in Chandler and come December 9, 2017, aliens of all shapes and sizes will take over downtown for an event that will change the space/time continuum forever! What is sure to be the Valley's epic Chandler Symphony FanFest will be held from 2 pm to 8:30 pm at Dr. A.J. Chandler Park East. This inaugural event is in partnership with the City of Chandler, Downtown Chandler Community Partnership and the Chandler Symphony Orchestra.

This free outdoor extravaganza will be 'fully operational' and exploding with entertainment, activities, food and music for the entire family! So you want to be a galactic hero? Don't miss the special training featuring electrifying 'Spar Wars duels' by the Phoenix Saber Academy, Syndicate Saber United and the Saber Legion. Witness the invasion of the Mandalorian Mercs, recognized by Lucas film as the 'Elite Mandalorian Costuming Organization' and the all mighty 105th Squadron in full gear. The fabulous 501st Legion will be watching out for the Outer Rim Brigade said to be creeping in from outer edges of the universe!

Calling all Cosplay costumers! Share your look, your life, your story with us in downtown Chandler! Enjoy two Cosplay costume contests - one for children under 15 and then the big Bantha blowout competition, the Craftsmanship Award Show with pre-judging and a cat walk.

There is something for everyone at this gathering of the galaxy! The kids will marvel at Orbital ATK's 'NASA in the Park' with over 40 engineers onsite working with kids for hands-on activities such as a real Rocket Launch every 30 minutes, Balloon Rockets Races, Cloud Chamber, and Wind Tunnel to name a few of the exciting opportunities.

Play-Well TEKologies will be bringing in 50,000 LEGO pieces where kids, young and old, can construct an alien universe throughout the day. Enjoy the Saber Toonz Kids play area and fun-tastic intergalactic demonstrations. Enter the 'Spaceport,' hosted by the Chandler Public Library with Cosplay story times, arts & crafts and Crafts from local Chandler Unified School District students and performances by children from the Kyrene School District just to touch on all the fun that will be held at Fanfest 2017.

All this excitement leads up to the incredible live under-the-stars performance of the music that has put goosebumps on a Wookiee, classics from Academy Award-winning composer, John Williams performed by the Chandler Symphony Orchestra and perfectly choreographed to an amazing Fireworks extravaganza!

So save the date for December 9th in downtown Chandler. Don't miss this chance to live in a universe far away for one incredible day! For more information visit [www.csofanfest.com](http://www.csofanfest.com). May the Force be with

**What is The Arc?** Chandler Gilbert Arc is a private, nonprofit organization dedicated to providing teaching and support to individuals with intellectual and developmental disabilities. First conceived in 1975 as “Chandler Arc”, by a group of parents who wanted to provide life options for their (8) adult children with disabilities, CGArc now proudly serves over 500 individuals per year with specialized community-based employment, housing, and adult day programs. Our mission is to facilitate growth for people with disabilities through choice, experience, guidance, and respect.

Chandler Gilbert Arc is licensed and funded by the State of Arizona Department of Economic Security Division of Developmental Disabilities and State of Arizona Rehabilitation Services Administration and other private funding sources. At the national level, we are affiliated with The Arc of the United States. At the state level, we are affiliated with The Arc of Arizona.

**Our goal as part of the Chandler Chamber Leadership Class 34 is to leave a lasting legacy by growing The Arc’s employers who are part of the Employment Services Program. There are three types of work done by Chandler Gilbert Arc members.**

**Supported Employment Program:** The Supported Employment Program is designed to offer individuals with intellectual and developmental disabilities employment experiences while providing support and training. The person works alongside workers without disabilities and is given the same job requirements and expectations. Job specific training is provided, if necessary, to support the employee in the job setting or to help the person move on to competitive employment. This work is completed by the member in the community. They are employed by the company and Chandler Gilbert Arc provides a job coach to monitor for issues and assist with training. The companies that provide this type of work are: Albertsons  
Bashas  
Eurest  
Frys  
Harkins Theaters

**Group Supported Employment:** Individuals in this Group Supported Employment Program have the opportunity to work at local businesses as a small group with the support of a job coach. These groups are known as enclaves. These individuals are compensated for all hours worked. Individuals who are successful in group supported employment may be considered for individual supported employment. This work is completed in the community on a 1:4 ratio which includes one job coach and three members. The companies that provide this type of work are: Bashas  
Chandler Regional Medical Center  
Food City  
Mercy Gilbert Medical Center

**Center-Based Employment:** Chandler Gilbert Arc also offers a vocational program for individuals who want or need to work in a sheltered workshop setting. They perform work and receive a paycheck for their work on subcontracts that are provided by Chandler Gilbert Arc. They prepare themselves for long-term employment opportunities whether it be part-time or full-time jobs in the community or with CGArc. Most already have a high degree of work skills, but need some level of support to achieve that final step toward employment independence. This work is completed in our sheltered workshop and is done on a piece rate basis. The companies that provide this type of work are: Hour Bands  
Isagenix  
Rhiba Farms  
Shower Safe

**Positions that best suit ARC individuals are:**  
Packing boxes with clear instructions  
Assembly line work  
Bagging activities at grocery stores and courtesy walk-out  
Courtesy clerks (rip tickets) at movie theaters

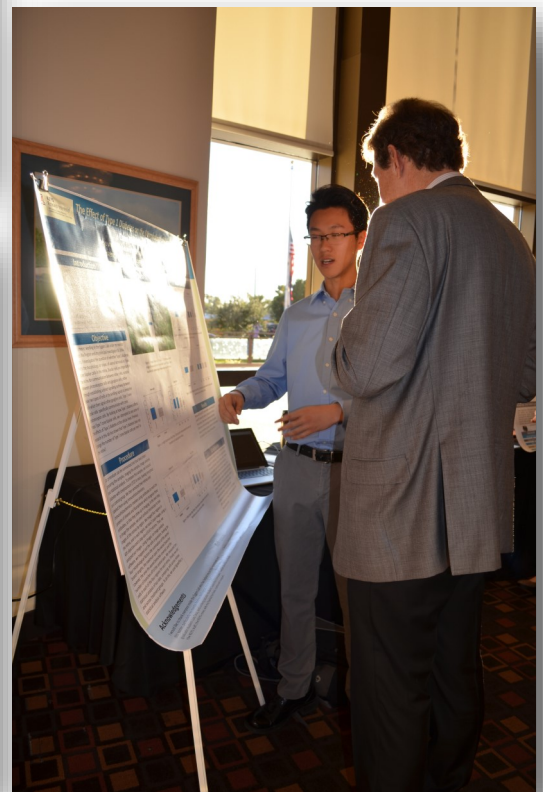

## The November 9th Education, Entrepreneurs and Workforce Development Forum

November 9th is the date for our next look at the future of Chandler's education, entrepreneurs and workforce development. This year we are about to go outside the box and introduce an extremely important source for students and employees alike, that will transcend information available at the moment for education and labor.

You will want to be in attendance as we roll out this new program developed by the Chandler Chamber and the Chamber's Education and Workforce Development Coalition. We will feature speakers, demonstrations and again, students to explore how we plan on developing the workforce of tomorrow.
