# Board Chair/CEO Update

**Lori Gallegos, First Credit Union  
Board Chair, Chandler Chamber of Commerce**

WOW - Where has the year gone? As we hustle & bustle our way into the holiday season, it's a wonderful time to reflect on the many accomplishments of 2019.

First and foremost, the Chandler Chamber continued to offer an incredible variety of opportunities to connect, educate and inspire.

This year, along with, our standard monthly, quarterly and annual signature events, the Chamber pushed the business community to have fun, learn about our legislators, examine where Arizona education should focus and catapulted our imagination into the very near future with an up-close look at the autonomous vehicle industry.

It has been my honor to serve as your Board President this past year. I'm constantly amazed at the progress we make as a thriving community when government, business, and education work together toward mutual success.

On behalf of the Chandler Chamber Board of Directors, we wish you a Happy Holiday Season and a prosperous New Year!

**Terri Kimble, President/CEO  
Chandler Chamber of Commerce  
@terri\_Kimble**

## We are...

We are constantly striving to strengthen Chandler's business community through education, advocacy, policy, inspiration and innovation. to showcase our year in review, below is a video created for us by our Marketing interns, Morgan Nash and Christian Weninger. So turn up your speakers, because the music is pretty darn snappy, and click on the link below to see what we were up to this past year.

# Chandler Mayor Update

**Chandler Mayor Kevin Hartke**  
**City of Chandler**  
**@ChandlerAZMayor**

As 2019 comes to a close I reflect back on what an incredible year it has been for our community. Among the various accolades Chandler has collected over the past 12 months, we have been named a top city to visit, to become wealthy, to buy a home, for women in technology and most recently as one of the top 10 Digital Cities recognizing our community for using technology to tackle social challenges, enhance services, strengthen cybersecurity and more.

These recognitions are due in large part to our business community. From entrepreneurs to Fortune 100 companies, the business leaders in Chandler are creating opportunities and experiences that attract people from all over the world to live, work, visit and play here. Numerous business attraction, retention, expansion and start up projects were announced through the third quarter of 2019, which will add over 3,000 jobs to our community the next several years. I do not think we went one week this year without cutting at least one ribbon or making a business announcement – how incredible is that?

This year was also a remarkable year in the realm of technology and innovation. Through the City's rideshare pilot with Waymo and the advancements that our AV companies are making in the industry, Chandler was put on the map as the Autonomous Vehicle Capital of the World.

I look forward to continuing to work with our business community to keep the momentum building. I wish you all a wonderful holiday season and a happy New Year.

## Wrap Up—November 8th

On November 8th, the Chandler Chamber welcomed Executive Vice President of the Arizona Chamber of Commerce and Industry, Garrick Taylor, as well as State Senators J.D. Mesnard and Sean Bowie, as part of our Public Policy Impact Series, providing updates on current and possible future issues affecting Arizonans.

Executive Vice President Garrick Taylor provided insight into the state of Arizona’s strong financial standing, federal laws impacting Arizona, as well as upcoming ballot initiatives that may be important in 2020. Second, Senator Mesnard commented on continued education importance, affirming the current strong economic status of the State and using the current budget surplus of Arizona to give back to the taxpayers. Senator Bowie followed by speaking on continued importance of social and emotional wellness resources, continuing efforts to boost Arizona’s education, and providing a legislative outlook on issues such as vaping and short-term house rentals.

## Wrap Up—November 22nd

The Chandler Chamber of Commerce welcomed Maricopa County District 1 Supervisor, Jack Sellers, and Maricopa County’s Deputy Recorder for Communications, Kathren Coleman, to focus on preparation for upcoming elections in 2020. Supervisor Sellers updated us on several key aspects of upcoming elections, such as addressing the problems from 2016 and finalizing contingency plans for any unforeseen problems that may arise. The Supervisor also provided an update on several key transportation notes, including the completion of the South Mountain Freeway, the I-10 Broadway Curve construction, and a proposed I-11 being in the initial phases. Then, Deputy Recorder for

Communications, Kathren Coleman went more in depth on election preparation, noting improved efforts for communicating more effectively with voters regarding their polling locations and questions. The County Recorder’s office also noted improvements in efficiency and security regarding ballots to ensure a secure election process in 2020. # Speed Networking December Luncheon

Speed networking is a fantastic way to grow your network and improve your personal brand. When you help others they want to help you, and it applies to speed networking just like anything else. It creates a desire and will from the other party to help you out. Here are some good questions to ask during the event.

- What do you do?
- How can I help you do that better?
- What made you decide to come to this event? (this can be a great way to identify problems they might be having to see if you can help)
- What inspired you to start doing the work you're involved with now?
- What are some strategies that you've found to be helpful for your recent work?

Make sure you take notes and follow up. The follow up offers a chance for a more solid connection.
