# Board Chair/CEO Update

**Molly Bell, GoDaddy**  
**Board Chair, Chandler Chamber of Commerce**

I am honored and excited to serve as the 2020 Chandler Chamber Board President. Though the Chandler Chamber has a long history of significant accomplishments going back over 100 years, I believe that this is a pivotal year for the Chamber as we gather inspiration and innovation to meet the needs of our fast-growing and vibrant business community.

These are exciting times in Chandler and the Chamber has been, and will continue to be, at the forefront of attracting major, stakeholder companies to our community along with vibrant small and medium businesses. We have seen the explosion of tech companies in the Price Corridor and major hotel meeting space following suit.

Just as Chandler is known as a community of innovation, the Chamber is always looking to the future. We created a new website designed for easy navigation for both our members, residents and visitors. Look for dynamic, future-focused programming in 2020 along with more opportunities to market businesses aimed to accelerate growth.

The Chandler Chamber takes pride in being a convener of business and community leaders, as well as a catalyst for business growth. We know from experience that when businesses succeed, our community thrives. Your voice through your membership gives us credibility and strength. Together we are stronger. Join me as we kick off 2020 and embark on this exciting journey into the future.

**Terri Kimble, President/CEO**  
**Chandler Chamber of Commerce**  
**@terri\_Kimble**

The start of a new decade is always exciting to me. It is a time for reflection on the past and inspiration for the future. The Chandler Chamber of Commerce prides itself on staying on point with trends in business advocacy and education, economic growth, prosperity and community impact. This year we will be focusing on leaders of change.

Who would have thought 20 years ago that smart phones would transform life as we know it? Sustainability has become the power word of the new decade. In today's market going forward, sustainability is a key factor in not only recycling, but taking a new look at workforce development, sustainable businesses positively impacting not only the economy, but community and society. Today, many larger companies are 'hiring to retire', rehiring past employees with successful records making onboarding smooth and quick.

Look for new programs here at the Chamber to help your business prosper. We like to think the Chamber is focused on collaboration-based innovation and development. Our partnerships with educational leaders such as the Small Business Development Center, SCORE, and our colleges and universities help sustain the Chamber as a leading resource for business growth.

To make all of this work, however, trust is a major factor. Quoting an old adage, "People do business with people they know, like and trust." The Chandler Chamber prides itself in building those relationships with and for our members. Here's to 2020—impacting the Chandler Chamber as a leader of change.

# Chandler Mayor Update

**Chandler Mayor Kevin Hartke**  
**City of Chandler**  
**@ChandlerAZMayor**

As Chandler continues to attract new and growing businesses, an important aspect of our economic development efforts are focused on building our tourism portfolio. Throughout 2019 we continued the implementation of the Tourism Strategic Plan through efforts to promote our community for meetings, events, business and leisure travel. Chandler underwent a rebrand in 2019 to reflect the direction and focus of the City's tourism efforts as a place not only to connect for business, but disconnect in their downtime and enjoy the community's amenities. The rebranding included a redesign of the tourism website and the execution of a new digital campaign, complete with a new destination video. Our Economic Development team is taking tourism to a new level in Chandler and as of third quarter 2019, hotel/motel bed tax collections are up 12% over the same period in 2018.

Over the past decade more than 2,000 rooms have been added to our community. We recently celebrated the grand opening of the Marriott Phoenix Chandler in the Price Corridor, which has the largest contiguous conference space in the community. The Price Corridor continues to grow, and with over 500 companies and 40,000 jobs, this full-service hotel will fill a big need for rooms and space in one of our largest corridors. We also recently welcomed the Extended Stay America Phoenix-Chandler Downtown hotel in December with 136 rooms in central Chandler. This hotel adds to our extended stay options for the longer-term business travelers we are attracting.

As Chandler is in the early stages of the execution of the Tourism Strategic Plan, our efforts will continue to evolve as our community grows. 2020 is going to be a remarkable year and I look forward to all of the exciting things to come. You can follow Visit Chandler on [LinkedIn](#) and visit the website at [www.VisitChandler.com](http://www.VisitChandler.com) and [www.ChandlerMeetings.com](http://www.ChandlerMeetings.com) for more information.

# CHANDLER **AZ** CHAMBER **POLICY IMPACT SERIES**

The Chandler Chamber works hard to cultivate and maintain excellent working relationships with elected officials from the City Council to the U.S. Senate -- regardless of party affiliation. As a politically active Chamber, we believe a strong, collective voice from our business community is essential to aid elected officials in making policy decisions that are in the best interests of Chandler as a whole. We represent the business interests of entrepreneurs, small businesses, and large corporations operating right here in Chandler.

Our Policy Impact Series is aimed at just such ideals. It is a chance to hear from our elected officials and industry experts on a range of issues that impact our community, businesses and beyond. The Policy Impact meetings are held on the 2nd and 4th Friday of the month in an intimate setting that allows for deep discussion on all issues presented. Your attendance is encouraged as this is a rare opportunity to hear directly from decision makers, while having your voice heard.

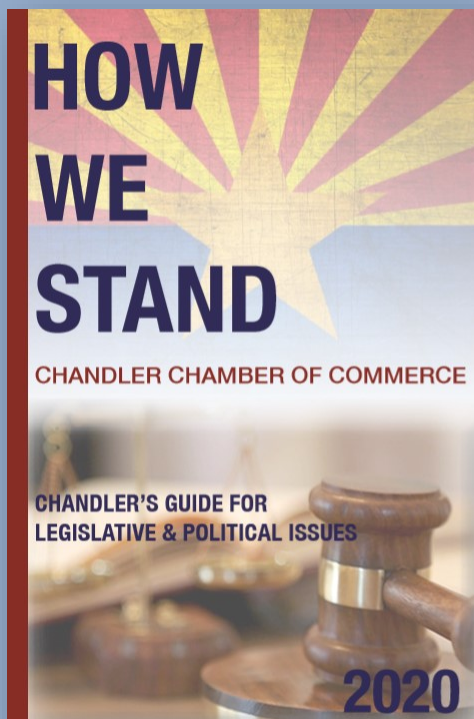

Join us for the next Policy Impact Session:
