## Chandler Chamber now accepting Board of Directors applications

In accordance with the by-laws of the Chandler Chamber of Commerce, the Chamber is requesting nominations for consideration for the Chandler Chamber Board of Directors. The Board of Directors is the elected policy-making body of the Chamber whose members represent the business and professional leadership of the community.

The Board of Directors is responsible for approving the annual Business Plan and supporting budget, receiving and acting on committee reports and recommendations, and for directing the general activities of the organization. It is further responsible for assuring that policy determinations, once made, are acted upon. The Board is also responsible for approving the appointment of all committee, council, and task force chairs.

The future of the Chandler Chamber rests with the leadership selected in this process. Please take the time to consider and nominate the person(s) that you feel would best serve your Chamber and help keep the Chandler Chamber of Commerce a vital part of the ever- growing Chandler business community.

You must be a current Chandler Chamber of Commerce member in good standing to serve on the Board of Directors. Those who are not Chamber members are invited to inquire about membership to become eligible. Download the Board of Directors [APPLICATION HERE](#).

All submissions for nominations to the Board of Directors must be received at the Chamber no later than 4 pm on August 31, 2020. Please email your nominations to [terri@chandlerchamber.com](mailto:terri@chandlerchamber.com) or bring to the Chamber Office.

# Board Chair/CEO Update

## **Molly Bell, GoDaddy Board Chair, Chandler Chamber of Commerce**

I know a lot of us have been working and playing at home for a while now, but I have great news! The Chandler Chamber Charity Golf Tournament is right around the corner, Friday, September 25th at the beautiful Ocotillo Golf Club.

We are working to ensure a safe and enjoyable day on the links for you because a fun day out in the fresh air, raising money for a great charity cause, is just what we need! It is important to remember that a portion of the proceeds from the tournament goes towards scholarships for deserving students attending Chandler Gilbert Community College. The Chandler Chamber of Commerce donates over \$6,000 in scholarships annually, due in-part to your participation in the Chamber Charity Golf Tournament.

This year we are changing it up a bit and offering a two-person scramble tournament. Our golf committee insists that the two-person format is perfect for enjoying a great course like Ocotillo, but not having the stress of stroke play (if you know what that means). There will be some great food, all safely prepared and served. And don't forget the raffle and contest prizes!

So reward yourself and a friend (hopefully someone who can drive 400 yards and possesses excellent hand-eye coordination) and register for the golf tournament on September 25th. Can't wait to see you there!

## **Terri Kimble, President/CEO Chandler Chamber of Commerce @Terri\_Kimble**

Every day I hear wonderful stories of our Chandler businesses and community members really stepping up in these difficult times to support and move us forward. This year our Chandler Chamber Community Awards will be going virtual to honor Chandler's exceptional businesses, educators, public servants and community members.

Please join us virtually, September 16th at 4 pm, on Facebook to honor the exceptional people and businesses that make Chandler great. While we can't gather together in person, we promise a fun experience online that will celebrate our winners with sincere gratitude, a little bit of humor and big surprises.

So clear your calendar Wednesday, September 16th at 4 pm and join us on Facebook for an interactive experience celebrating Chandler. You won't want to miss this!

# Chandler Mayor Update

**Chandler Mayor Kevin Hartke**  
**City of Chandler**  
**@ChandlerAZMayor**

The City of Chandler recognizes that the ability to maintain private sector employment levels preserves the economic strength of the community and its citizens. In an effort to mitigate job losses and the resulting economic hardship brought on by the effects of COVID-19, Chandler City Council approved programs related to the State of Arizona grant agreement for the AZCares Fund Program. One of the approved programs enables the Economic Development Department to utilize \$10 million for business assistance support for Chandler-based businesses impacted by COVID-19. With the addition of the AZCares programs, the City now has three distinct business assistance programs that I hope will provide much needed support and relief to our business community. Below is a breakdown of these programs:

**Cox to purchase SRP clean energy to advance aggressive national sustainability goals**

Cox Communication has signed up to convert over 30 percent of their energy purchased from SRP to the company's Sustainable Energy Offering. SRP's program provides clean, emission-free solar energy to more than 30 commercial, municipal and school district customers in Arizona. This program makes approximately 300 megawatts (MW) of solar energy available to these customers for their power needs. SRP estimates that with the use of these solar energy resources, Arizona businesses will decrease carbon dioxide emissions by about 1.6 million tons equivalent to the amount produced by more than 300,000 passenger cars driven in a year.
