“ As one of the original members, I've enjoyed being a part of the YLC and helping it grow! It has provided me the opportunity to meet others my age in the HBA, learn from them and their experiences, and is helping me accomplish my goal of meeting and building relationships with builders and associate members alike.

WHAT IS THE YOUNG LEADERS COUNCIL?

The Young Leaders Council (YLC) is a vibrant and fun group of young professionals in the homebuilding industry. Over the past 3 years we've been providing opportunities to connect with other young leaders, enhance careers, and get involved in the community through a variety of events and programs. Any HBA member under the age of 40 is welcome to join.

“ We see a healthy dichotomy of members in this group: one part made up of professionals who are new to the industry, and the other being made up of young leaders looking to move to the next level of their career. Ultimately, all members will come together to advance their careers in the homebuilding industry.
