WELCOME

On behalf of the Medicine Hat & District Chamber of Commerce and the Canadian Home Builders Association- Medicine Hat, welcome to the 2020 Sunshine Home & Garden Show.

At this year's show, you will have the opportunity to visit the world's very first Virtual Parade of Homes. While at the show you can also stop by for some tasty treats in the Food Alley; let your little ones burn off some energy in our Children's Activity Center; and enjoy some locally crafted beverages in the Back Alley.

The Home Centre will be bustling with ideas, products and services related to home building, remodeling and renovations, to help you start your spring and summer

projects for 2020 and you can check out the Outdoor Living area for some creative landscaping ideas and outdoor products and services to help ignite your spring fever.

There is an array of new exhibitors, products and exciting door prizes to round out a fun weekend of dining, shopping and exploring, all under one roof!

We're once again bringing you a wide variety of products and services because we take our goal of serving our community and promoting commerce in our region seriously and we take pride in hosting on of the largest and longest running trade show events in Medicine Hat.

We want to continue to improve our service

to our community and we welcome your ideas and input on future shows. Connect with us and share your feedback so we can continue to expand our shows and produce outstanding events that resonate with you, our consumer.

Please also help us in expressing 'thanks' to all of our exhibitors, sponsors, members, and supporters as they make this show the success that it is!

Thank you to our residents and the many visitors to our beautiful city for the ongoing support of our shows and our business community.

SHUTTLE SERVICE

Forget driving around the parking lot looking for a stall close to the front doors. Park in the midway section of the stampede grounds and hop on the Murray Hyundai Shuttle to be dropped off right at the door.

The shuttle is always waiting at the door to take you back to your vehicle, and there is plenty of space for your purchases!

Door-to-door service doesn't get any better than this!
