## LIGHTING THE PATH TO SMALL BUSINESS OWNERSHIP

SBAC Empowerment Foundation (a.k.a. SBAC Empower) was founded as a 501(c)(3) NFP. Our goal is to assist small businesses and aspiring entrepreneurs in disadvantaged communities by providing education, mentorship and access to support services and programs in the Chicagoland communities.

### Our Programs:

- ✓ One on One Mentoring
- ✓ Workforce Development
- ✓ Speed Coaching
- ✓ Educational Training

### Why Empower?

We have a proven track record of assisting entrepreneurs and small businesses in neighborhoods with fewer resources, funding, and attention. As a testament to the relationships we build, 53% of our Mentee/Mentor relationships continue past the 1-year commitment.

SBAC Empower believes that helping small businesses start, grow, and flourish can be a game changer in a struggling neighborhood. Promoting the survival of small businesses in disadvantaged areas of Chicago that SBAC Empower serves is vital.
