ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Chapter 4-4 of the Municipal Code of Chicago is hereby amended by inserting a new section 4-4-075 as follows:

4-4-075 Licensees with public access - surveillance cameras required.

(a) For purposes of this section, "department or office" means the Department, the Chicago Police Department, the Office of Emergency Management and Communications or the Office of Public Safety Administration.

(b) Each licensee whose licensed premises is open to the general public shall install and maintain functioning surveillance cameras positioned so as to record:

(1) all entrance and egress doorways to the premises used by the general public, and for each doorway that opens onto the public way, an area extending 15 feet in radius from the exterior of such doorway, which shall be lighted in such a manner to identify persons entering or exiting the premises; and

(2) all parking areas of the licensed premises accessible to the public.

(c) Each licensee shall maintain recordings from the surveillance cameras required under this section for not less than seven days. Provided, however, each licensee shall maintain any recordings from the surveillance cameras that are subject to a subpoena order from the department or office pursuant to subsection (d) of this section until compliance with such order or until a final determination is made on an objection to such order.

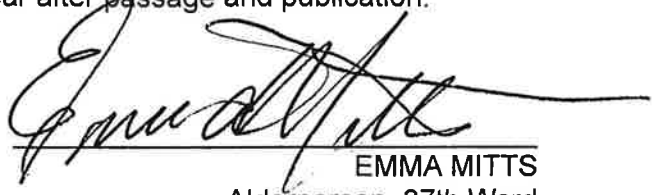

(d) If the department or office reasonably determines that a licensee's premises are: (i) the scene of a crime or other illegal act under investigation by any local, State or Federal law enforcement agency, or (ii) operating in violation of any applicable provision of this Code, the department or office may issue an order, in the form of a subpoena, directing the licensee to provide recorded camera footage from the date and time listed in the subpoena. The licensee shall, within 21 calendar days of the date on which such order is issued, either provide the surveillance camera recordings or file a legal objection to such order in writing with the requesting department or office. If the licensee files a legal objection, the requesting department or office shall provide a hearing on the objection within 10 business days. The hearing determination shall be final and may be appealed in the manner provided by law.

(e) The department or office may adopt rules, either jointly or separately, for the implementation and enforcement of this section.

(f) Nothing in this section shall be construed to prevent, waive, or modify any stricter requirement provided in any law or order, agreement, or plan of operations.

(g) Notwithstanding the process listed in subsection (d), nothing in this section shall be construed to prevent the City from using other lawful means to compel production of recordings from the surveillance cameras required under this section.

SECTION 2. This ordinance takes effect one year after passage and publication.
