COFFEE WITH COLLEAGUES

Many members attend the monthly Friday morning Coffee With Colleagues events at businesses around the community. It's a great way to make connections and learn about local offerings while enjoying breakfast refreshments. Members at the Business level and above may host this popular event throughout the year.

BUSINESS AFTER HOURS

Each month, members gather at a local business to catch-up and enjoy social time at Business After Hours. These events showcase a company and give members a chance to meet the business employees while enjoying a cocktail and appetizers. Members at the Business level and above may host this popular event throughout the year.

YOUNG PROFESSIONALS SOCIALS

Monthly gatherings of the Lowcountry Young Professionals (LYP) move around our region to enable connections and knowledge-sharing. The LYP program also includes professional development opportunities and an annual gala. The importance of nurturing prime workforce age residents is critical to maintaining workforce and building future leaders. Hosting and sponsorships available.

BIZ RESOURCES WEBINARS

The Chamber consistently hosts virtual programming featuring members and partners who provide resources for the small businesses in our community. All are free to attend and recorded to our YouTube channel for reference. Let us know if you'd like to present your products or services.
