FROM THE BOARD

"December 1st of this year will mark our fifth anniversary since the Christensen family came to Seymour, Indiana. In that five years, we have experienced tremendous growth and had the honor of serving hundreds of families. One of the greatest things that we did as a business and as a family was partner with the Jackson County Chamber. Not only does it give us the opportunity to be actively involved in our community but it gives us the opportunity to work with other business owners that have our county at heart."

-Dan Christensen
