Welcome to The Great Life!

That's how we describe Gretna and our community has been great for years. Gretna was incorporated in 1889 and like many mid-west towns, it started as a farming community. As the decades went by, agriculture continued to be a big part of our community. Over time, Gretna's close proximity to Omaha and Lincoln took on more importance. With the influx of new people moving to town, Gretna's values were solidified - values that prioritize family, strong work ethic, integrity and sense of community.

Does *your* Great Life include; a quality school district, safe neighborhoods, fantastic shopping experiences, a 157-acre community park, minutes to multiple State Parks, Golf courses....and most importantly a town that values community? *Welcome Home!*

Please accept this package as our *THANK YOU* for choosing to be part of Gretna. In it, you will find our Chamber of Commerce's Green Book which is full of useful information. We ask that you take time to discover the businesses, organizations, services, venues and events that help make our community the special place it is.

I am proud to be part of such a wonderful community and excited for our future. I wish you and family the best. Welcome to Gretna...*the Great Life!*
