Mark your calendar and plan to stop by to support this worthy cause to fund rescue operations for dogs abandoned in Escambia County to be transported & relocated to other towns and homes that are looking to adopt. Our goal is responsible pet ownership and a no-kill shelter! Help us to take care of these sweet animals and get them into loving homes.

100% of the proceeds are tax-deductible donations collected the evening of the event will go to this year’s selected recipient: “Friends of Escambia County Animal Shelter”.

Bring a friend, drop by and enjoy a delicious Southern Food Bar specially prepared by Chef Brian Kaderavek at the award-winning Kingfisher Restaurant. Adult beverages will also be available. Rub elbows (and paws) with fellow animal lovers, donors & rescue operation volunteers. Meet the people behind the operations and hear their incredible stories. There may even be a puppy or two to pet and hold.

Come out and support this very worthy cause and be part of uniting a family with an abandoned pup!
