LandrumHR Announces New Head of Human Resources

Pensacola, FL – December 19, 2019 – LandrumHR, a Professional Employer Organization (PEO) and human capital services firm, is proud to announce Bruce R. Lasko as their new Managing Director & Head of Human Resources.

Lasko will be responsible for the corporate HR function, including leading the HR department and overseeing all HR policies, compliance, compensation and benefits programs. Additionally, Lasko will further develop the talent strategy as the company continues to grow.

Prior to joining LandrumHR, Lasko served as the Vice President of Corporate Human Resources with TriNet. Additionally, Lasko held executive positions leading HR, Finance and Corporate Services functions in the financial services, healthcare and telecommunications industries. Lasko completed his Executive MBA from Cornell University, and his Bachelor's in Business from Fairleigh Dickinson University.

With his diverse background, and experience in PEO, Bruce is the perfect fit for LandrumHR as we continue to grow as a national PEO and human capital services company," said Britt Landrum, III, President & CEO of LandrumHR. "Bruce is the right person at the right time to assure our people strategy is aligned with our business and growth strategies. Bruce understands our talent and culture are both driving forces for our success at LandrumHR."
