TICKETS ON SALE FOR KPB'S SECOND ANNUAL MINI-GOLF TOURNAMENT

Join Keep Pensacola Beautiful on February 27th for a mini-golf tournament benefiting environmental education in Escambia county.

FEBRUARY 27, 2020- PENSACOLA, FLA. – Keep Pensacola Beautiful has tickets on sale for their second annual Mini Golf Tournament hosted at the First Tee of Northwest Florida's Goofy Golf course. Contests, raffles, and prizes will benefit environmental education in Escambia county. This fundraiser makes programs like Waste in Place possible. At no cost of their own, kids in K-6th grade are able to get a hands-on experience that engages them in discussions about sustainability.

"This tournament funds our youth educational programs. We'll focus the proceeds from this event on helping children in K-6th learn sustainable practices," says Sigrid Solgard, Executive Director.

For more information, please visit the Keep Pensacola Beautiful Facebook page, event page, website, or a contact for more information.
