The George Stone Technical College is offering Fall GED classes on their main campus as well as at the Molino Community Complex and at Ensley Elementary School.

GED classes available on GSTC's main campus at 2400 Longleaf Drive, in Pensacola, FL 32526 (next door to Pine Forest High School) are held Monday through Friday with class offerings in the morning, afternoon, and evening. Tuition is \$30.00 a semester. There is an open enrollment policy, allowing students to start anytime.

George Stone Technical College is also partnering with the Molino Community Complex to offer GED classes every Monday and Thursday from 6:00 p.m. to 8:00 p.m. The Molino Community Complex is located at 6450 Highway 95A North, in Molino, FL, 32577. Tuition is \$30.00 per semester. Students who would like a little extra help can also come from 5:00 p.m. to 6:00 p.m. for open lab tutoring.

GSTC also offers GED classes at Ensley Elementary School every Tuesday and Thursday from 4:00 p.m. to 6:00 p.m. Tuition is free at the Ensley Elementary School site, which is located at 501 E. Johnson Avenue, Pensacola FL 32514.

All GSTC GED classes are actively taught by certified teachers and personalized instruction is given based on each student's academic level. Tutors are also available. GSTC's instructors use direct instruction, as well as materials that are aligned to the "actual" content of the GED test. When students are ready to take the test, they can feel confident and assured of their preparation to achieve a passing score.
