**ESCAMBIA COUNTY (FL) SCHOOL DISTRICT Title I Posts**  
**Parent and Family Engagement Plans for 2020-2021**

Every Title I school receives an annual budget specifically allocated to family engagement. Family engagement is the regular, two-way, and meaningful collaboration between school and home involving student academic achievement. The Parent and Family Engagement Plan is the document that details this partnership between school, home and the community for every year. This plan is created using input from families and the community throughout the year.

Plans are accessible through Escambia County School District's Title I website, <http://title1.org/>, or by contacting individual schools. Community members are encouraged to review plans and provide input using the feedback surveys available on the Title1.org website.
